Curriculum

Students are currently taking the winter diagnostic assessments using i-Ready. Throughout this process, staff will be closely monitoring student performance and growth, using the data to tailor instruction and provide targeted support. These efforts ensure that every student receives personalized learning opportunities to help them achieve their full potential. Several staff members are utilizing i-Ready data for their Student Learning Objective (SLO) evaluations, which track student progress over time as part of teacher performance assessments.

School Celebrations

Congratulations to Lia Zoeller for being this year's SGE Spelling Bee champion. Lia will be participating in the regional Spelling Bee in March. Damien Babros was our runner-up and will serve as the alternate. Congratulations to our other participants for making it to the building competition.
