

WINTER 2024 MAP ASSESSMENT PRESENTATION

ECISD students engaged in the second round (Middle of Year) Winter MAP assessment during the month of January, 2024. The data received measures the amount of growth our students made between Fall 2023 and Winter 2024.

The presentation tonight will show Fall 2023 to Winter 2024 growth, and will compare how we measured from Fall 2022 to Winter 2023.
