

# Executive Summary

Prepared for Board of Trustees Meeting  
June 10, 2008

## Preliminary 2007-2008 TAKS Results

---

### Purpose of Report

The report is intended to share the most current TAKS performance data for district students.

### Objectives

- Table 1 includes the comparison of 2008 DISD TAKS student performance against 2007 DISD student performance
- Table 2 includes the comparison of DISD student performance against Texas data (TAKS-Accommodated student scores included)

### Operational Impact

NA

### Result

The TAKS data will be disaggregated to determine strengths and weaknesses in all student subpopulation groups. Curriculum, instruction, and assessment practices will be studied to ensure alignment is adjusted to increase student performance. Staff development plans will be based on these results.
