MEETING DATE:

March 25, 2020

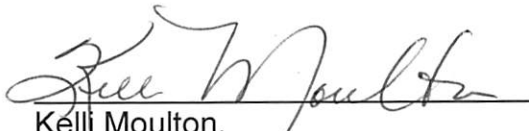

AGENDA ITEM:

Discuss and consider an agreement between Galveston ISD and UTMB Galveston for Medical Services.

UTMB currently provides services of UTMB professionals, as designated by UTMB, to assist GISD in addressing certain health care needs of its school children. These services include consultations regarding medical concerns that impact school programs and educational programs, identification and management of special needs students, assisting with personnel and parent interaction, and other services as described in the agreement. The particular agreement specifies periodic reviews of sports and impact related injuries, pre-participation evaluations, sports physicals, and home game attendance.

RECOMMENDATION:

I move that the Board of Trustees approve the agreement between Galveston ISD and UTMB Galveston for Medical Services.

Kelli Moulton,
Superintendent
