MS Awards – Held on May 21, 78 students were recognized with awards, either most improved or academic excellence. We also recognized the following students for Citizenship, Megan Pittenger, Jacob Cornell, Lauryn Schleusner, Gabe Humble, Paige Kromminga and Reed Hammel. Students who participated in 12 different non sport groups were also recognized.

MSHSL Board of Directors meeting – I attended my first MSHSL Board of Directors meeting on June 3 as a visitor. I will not officially be a member of the board until the August meeting. It is going to be a great experience and truly an eye opener to the inner workings of MSHSL.

7th Grade Fall Sports- I met with this year's 6th grade on May 30 to talk about their first opportunity to participate in HS sports next year. They were given information about physicals, eligibility forms and participation fees as well as the start and practice times for fall sports. The next day an email with the same information was sent home to all parents.
