May 13, 2025

Presented for: **Action X** **Report Only_____**

Background Information

Board Policy DC Local requires board approval to hire contract employees. To employ the best teachers possible in a timely manner, we request that the board suspend the requirement and authorize the superintendent to issue contracts from May 14th to August 12th, 2025.

The Superintendent will present a list of newly contracted personnel at the next regular board meeting.

Recommendation: Authorize the Superintendent to issue personnel contracts from May 14th to August 12th, 2025, in lieu of DC Local requirements.
