

# Animals in Alaska

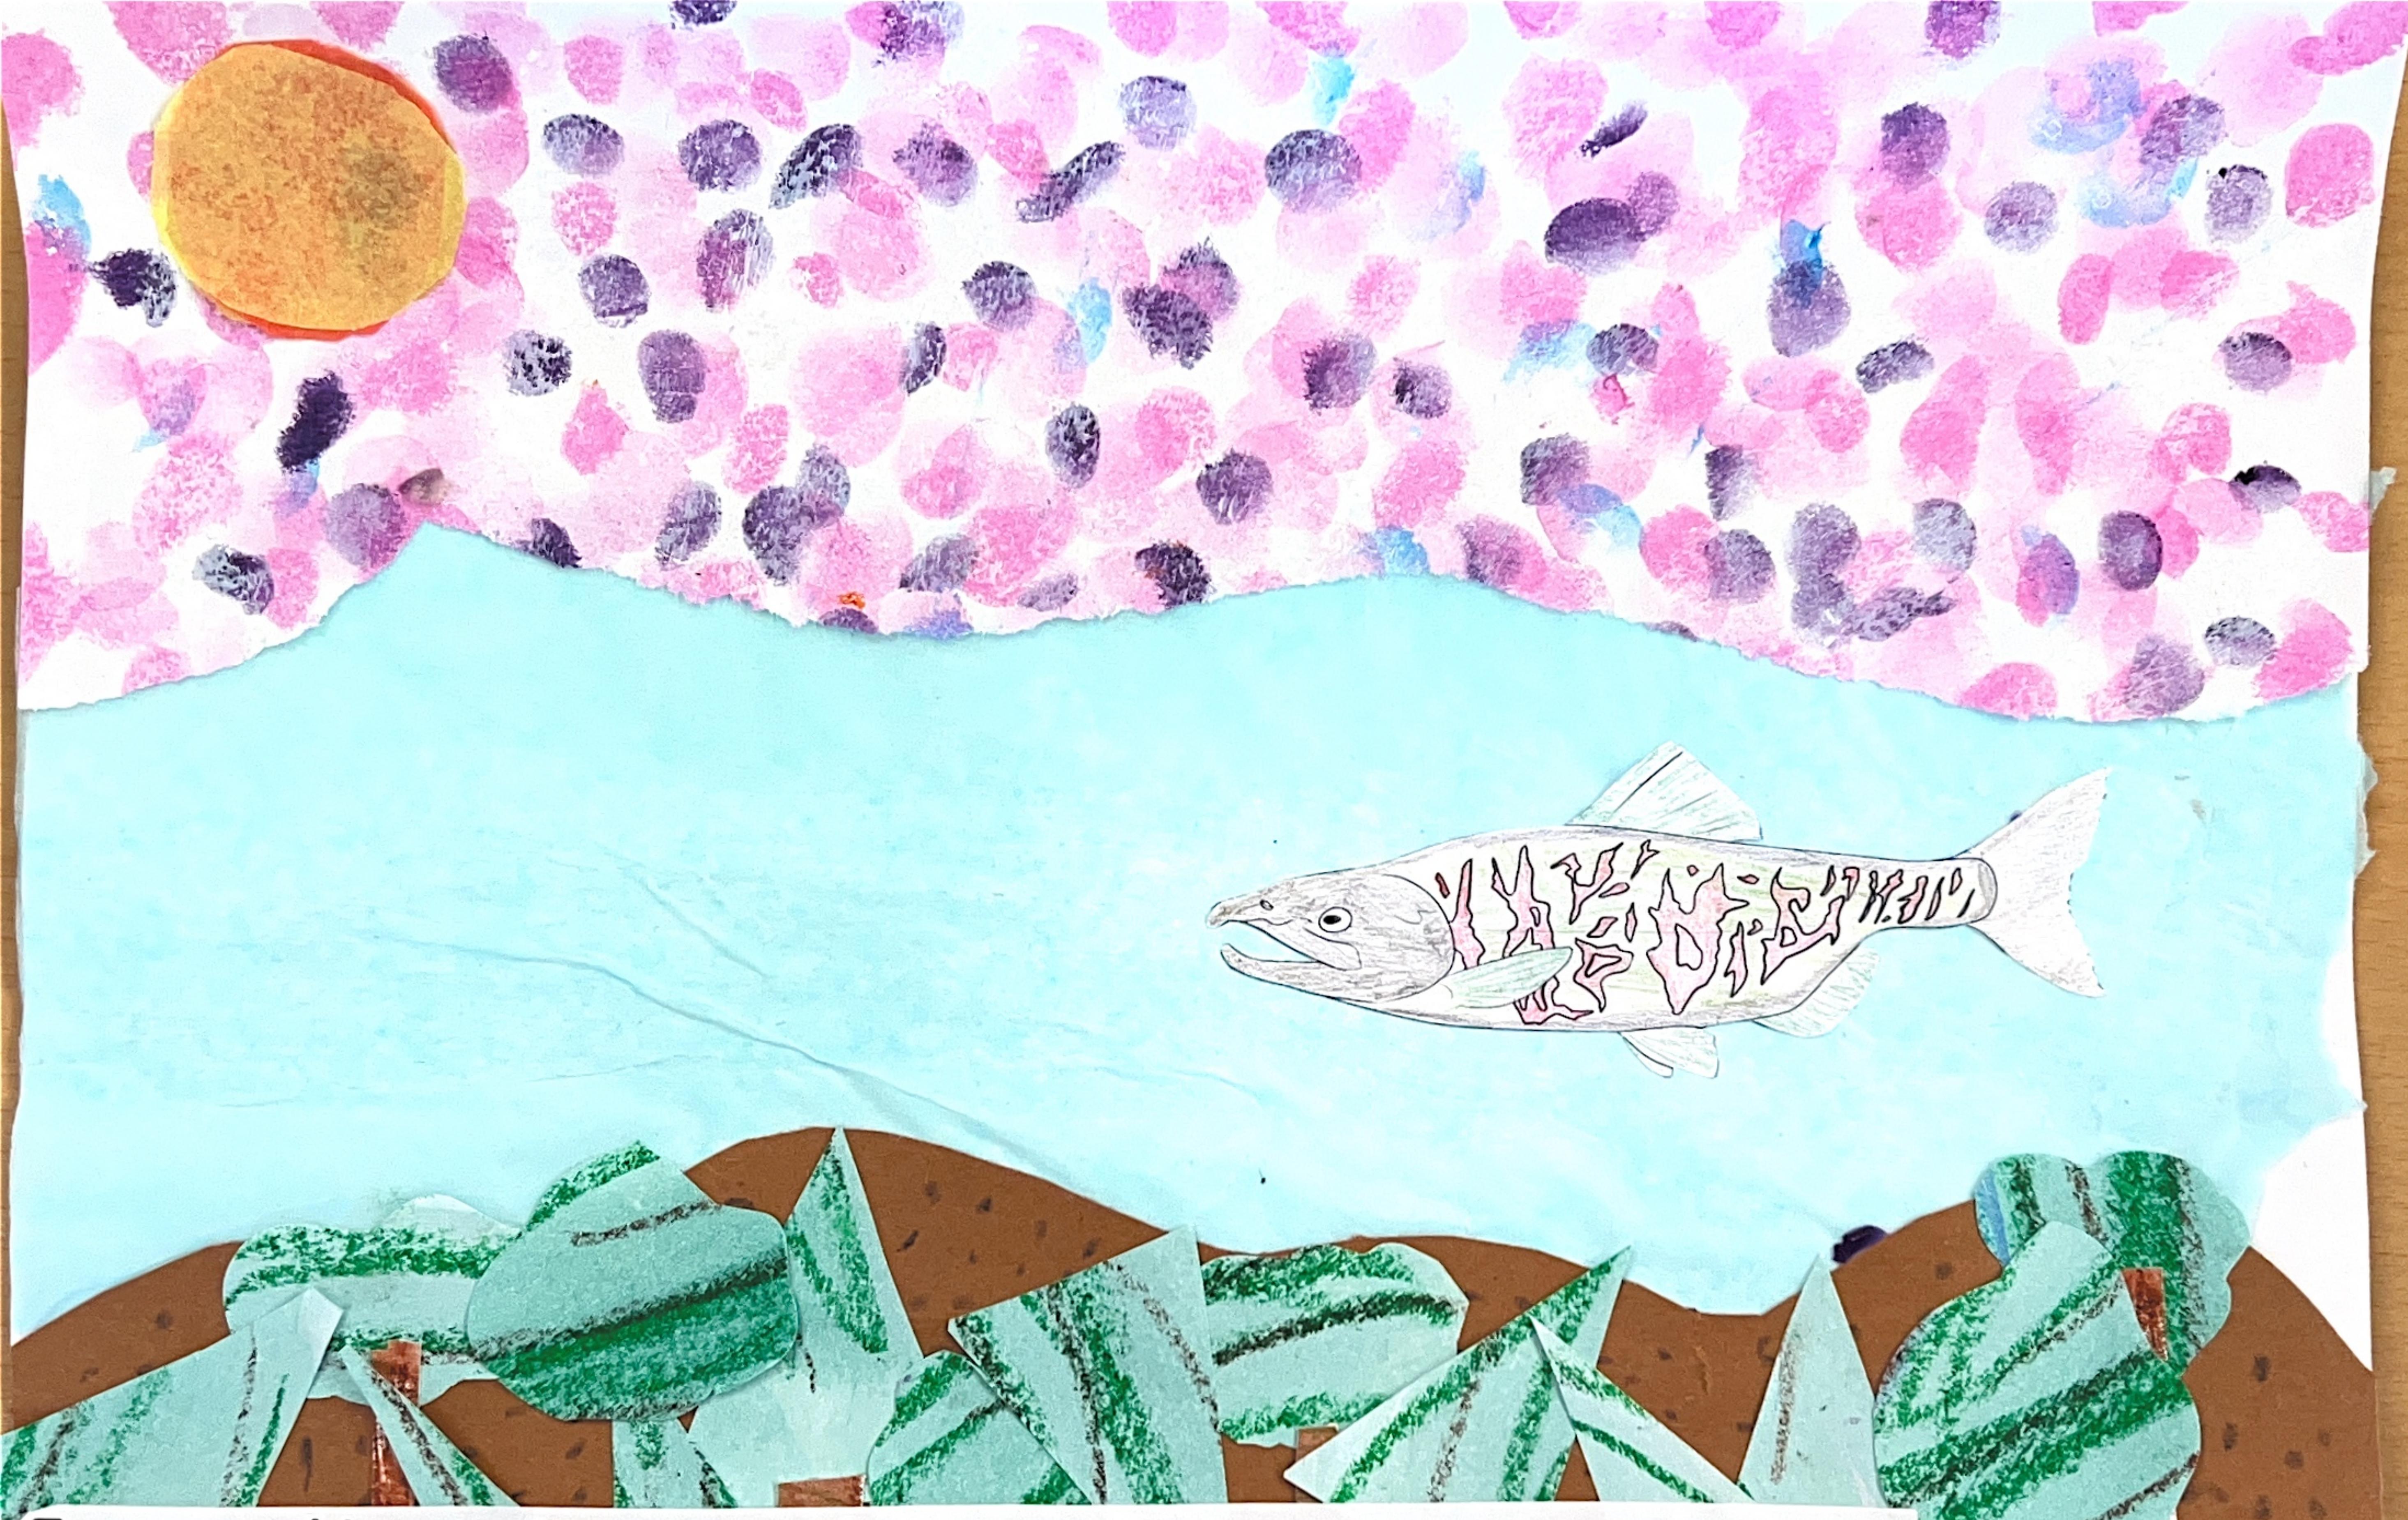

By: 2023 Noatak Summer School  
Students

I spy a hare caught in a snare.

Cali and Breeja

I notice a seal looking for its next meal.

I see the chum salmon giving their life to prevent a famine.

charla Luther

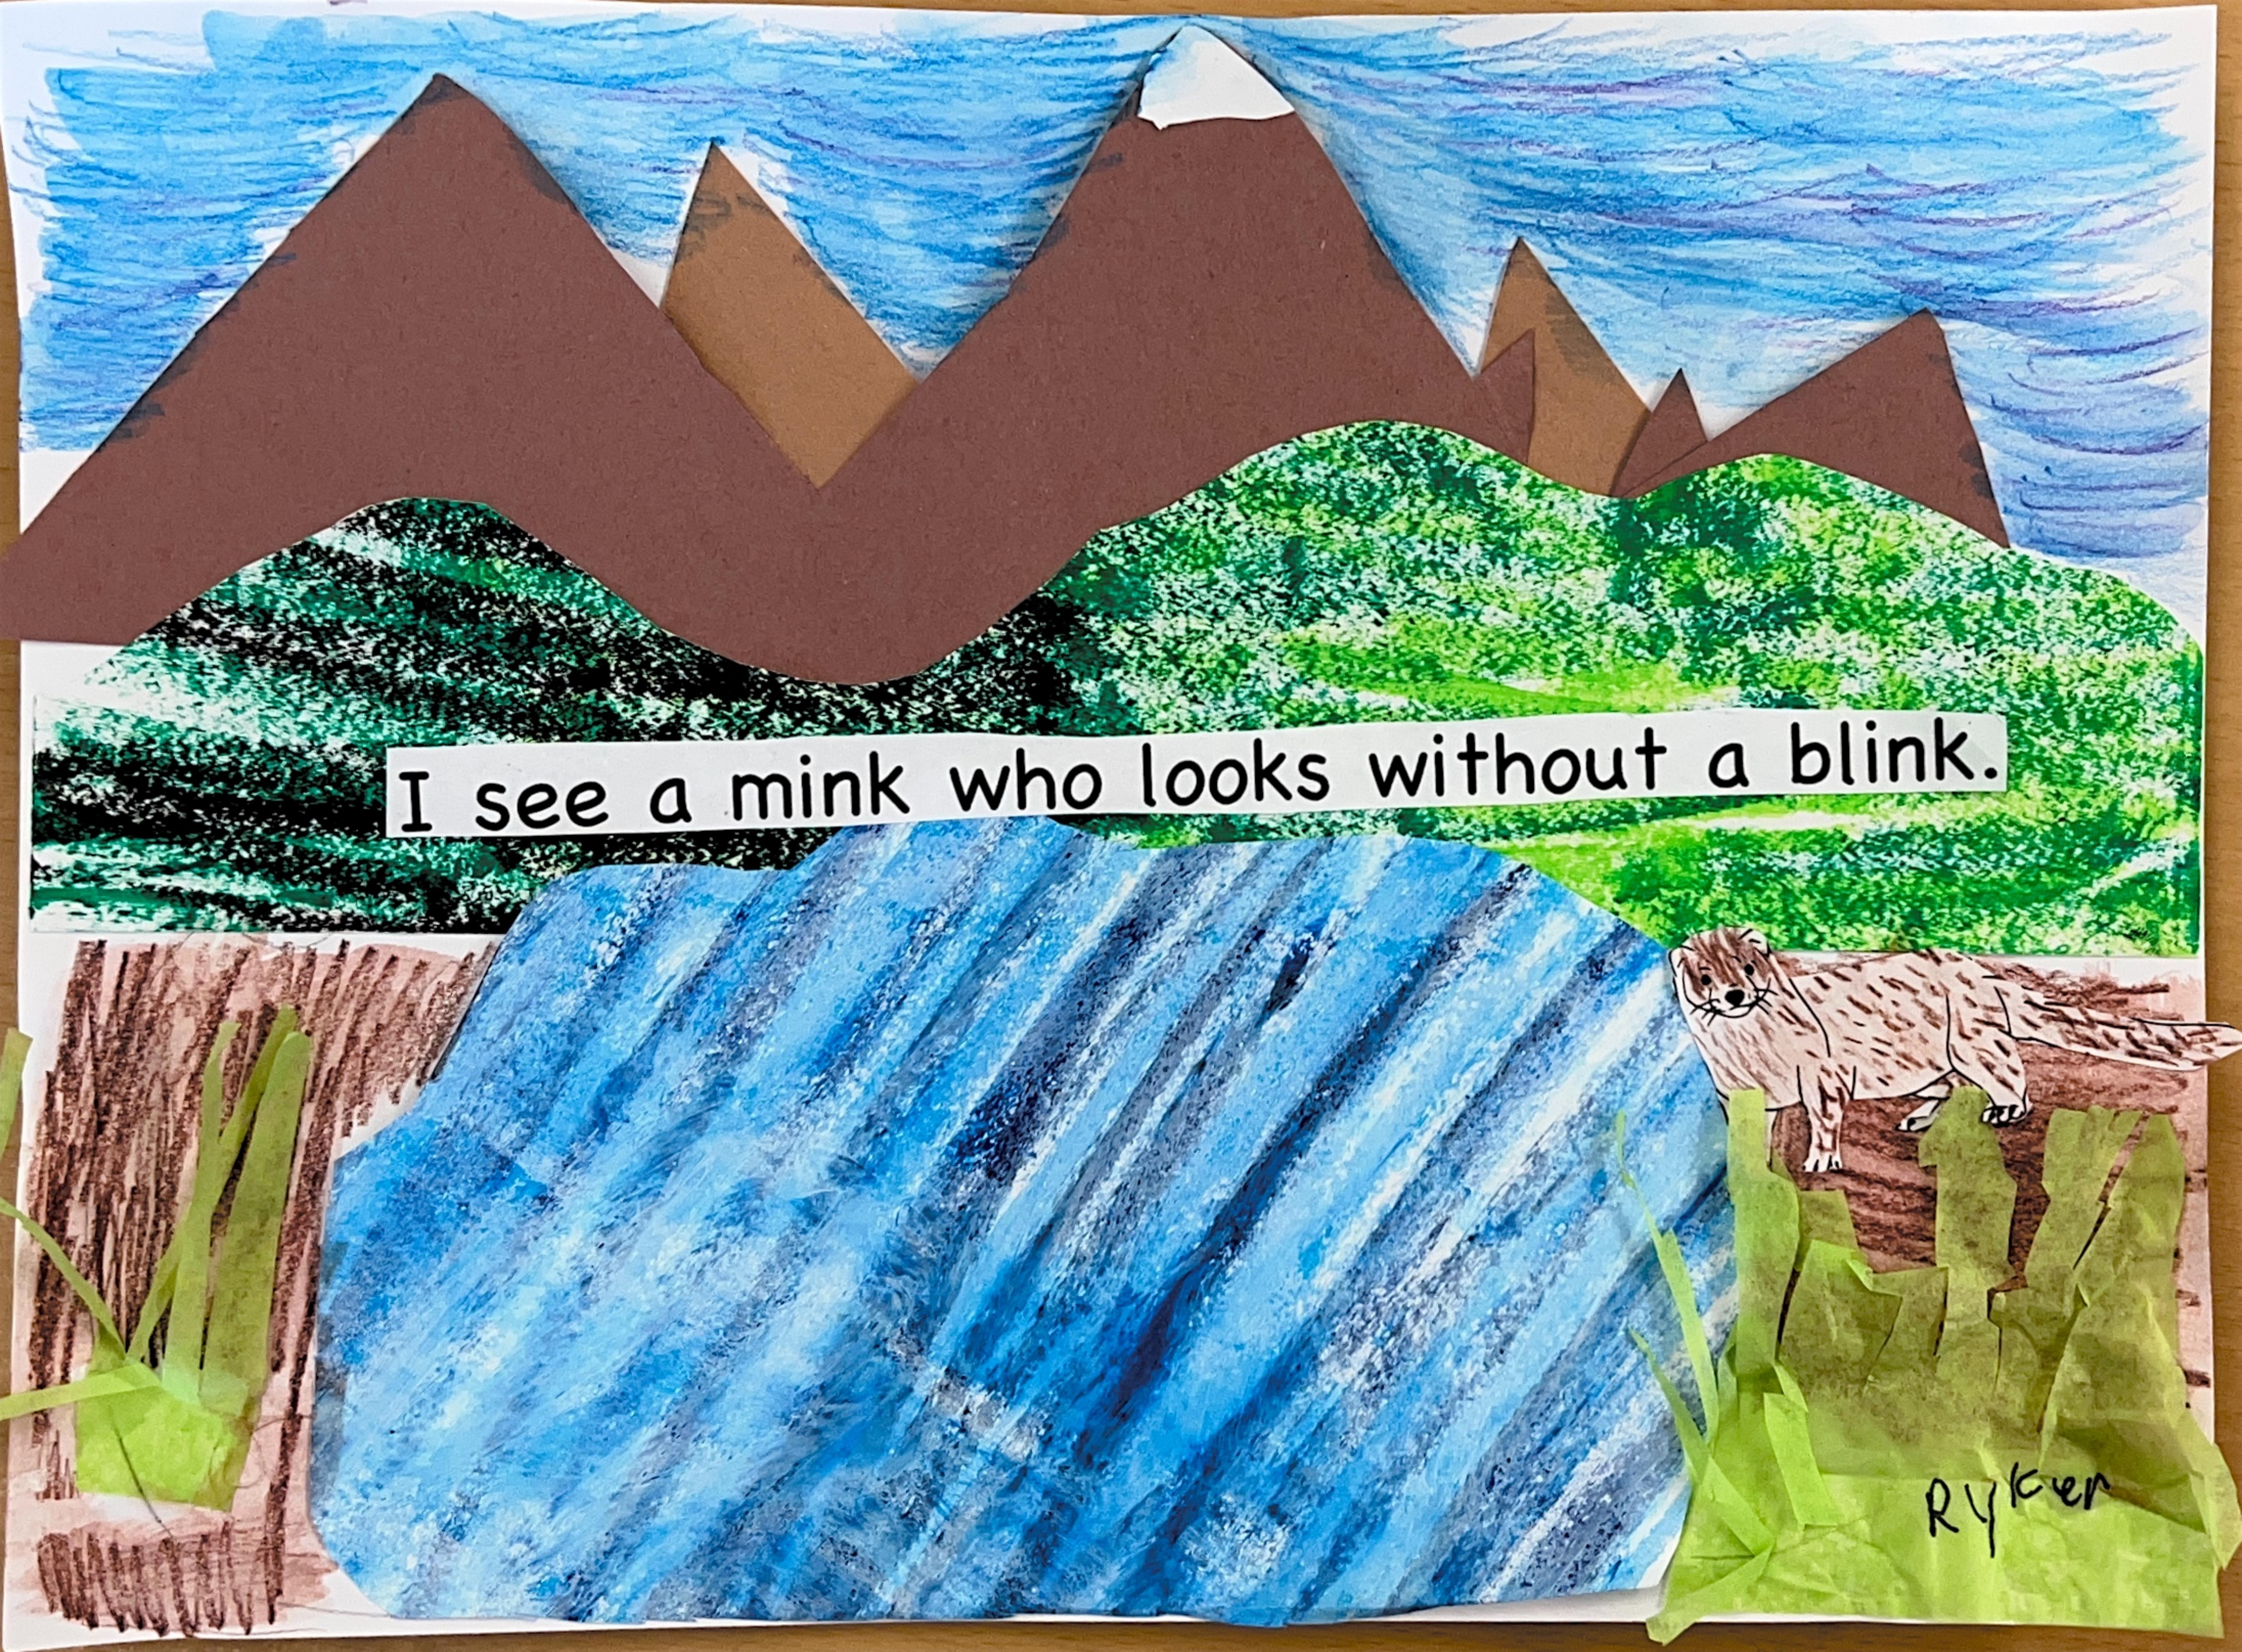

I see a mama bear handling her cub with care.

Taya skin

I spot a gray jay flying through the sun's  
ray.

Oren  
Pietila

I see a mink who looks without a blink.

Ryker

I spy a brown bear chasing a snowshoe hare.

B O P E

B O D E

I spot a duck defending  
its nest by running  
amok.

Connie Booth

Sammie

I glimpse a fox sneaking along the rocks.

Kristen B.

I see a black bear hiding over there.

Anya

I glimpse a frog hiding under a log.

Momsy

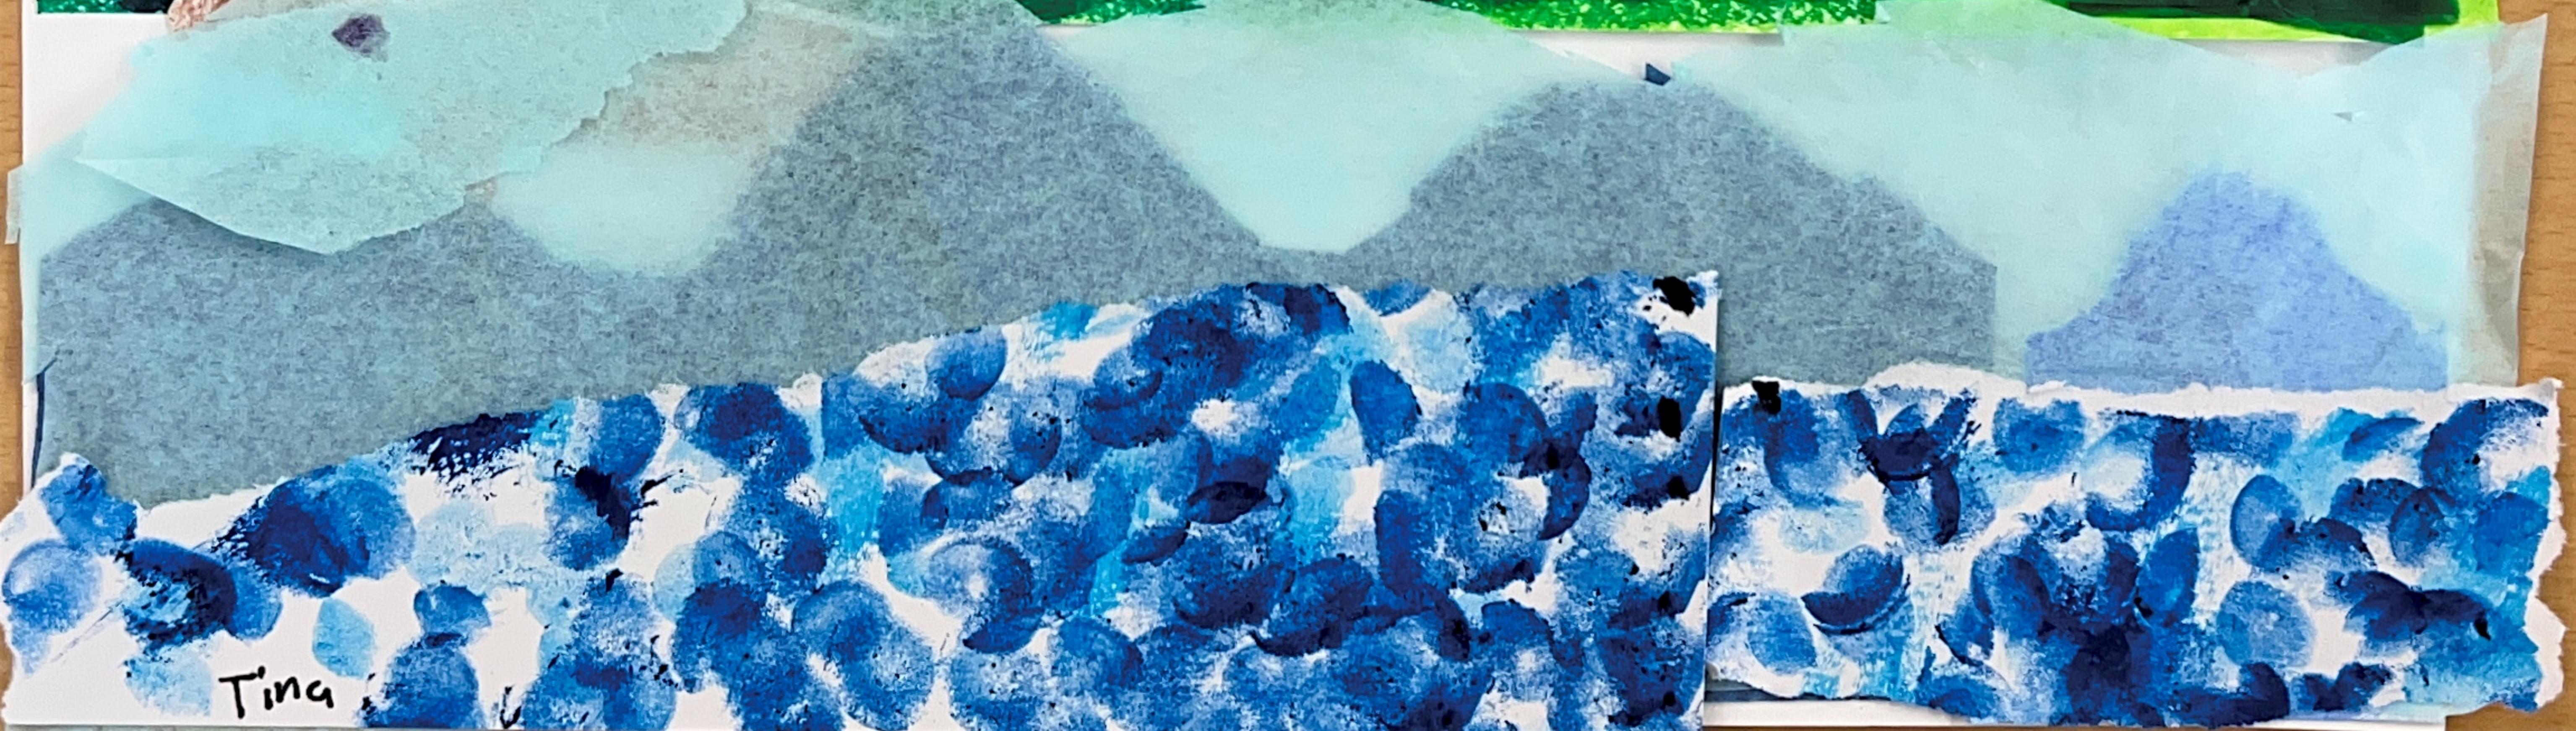

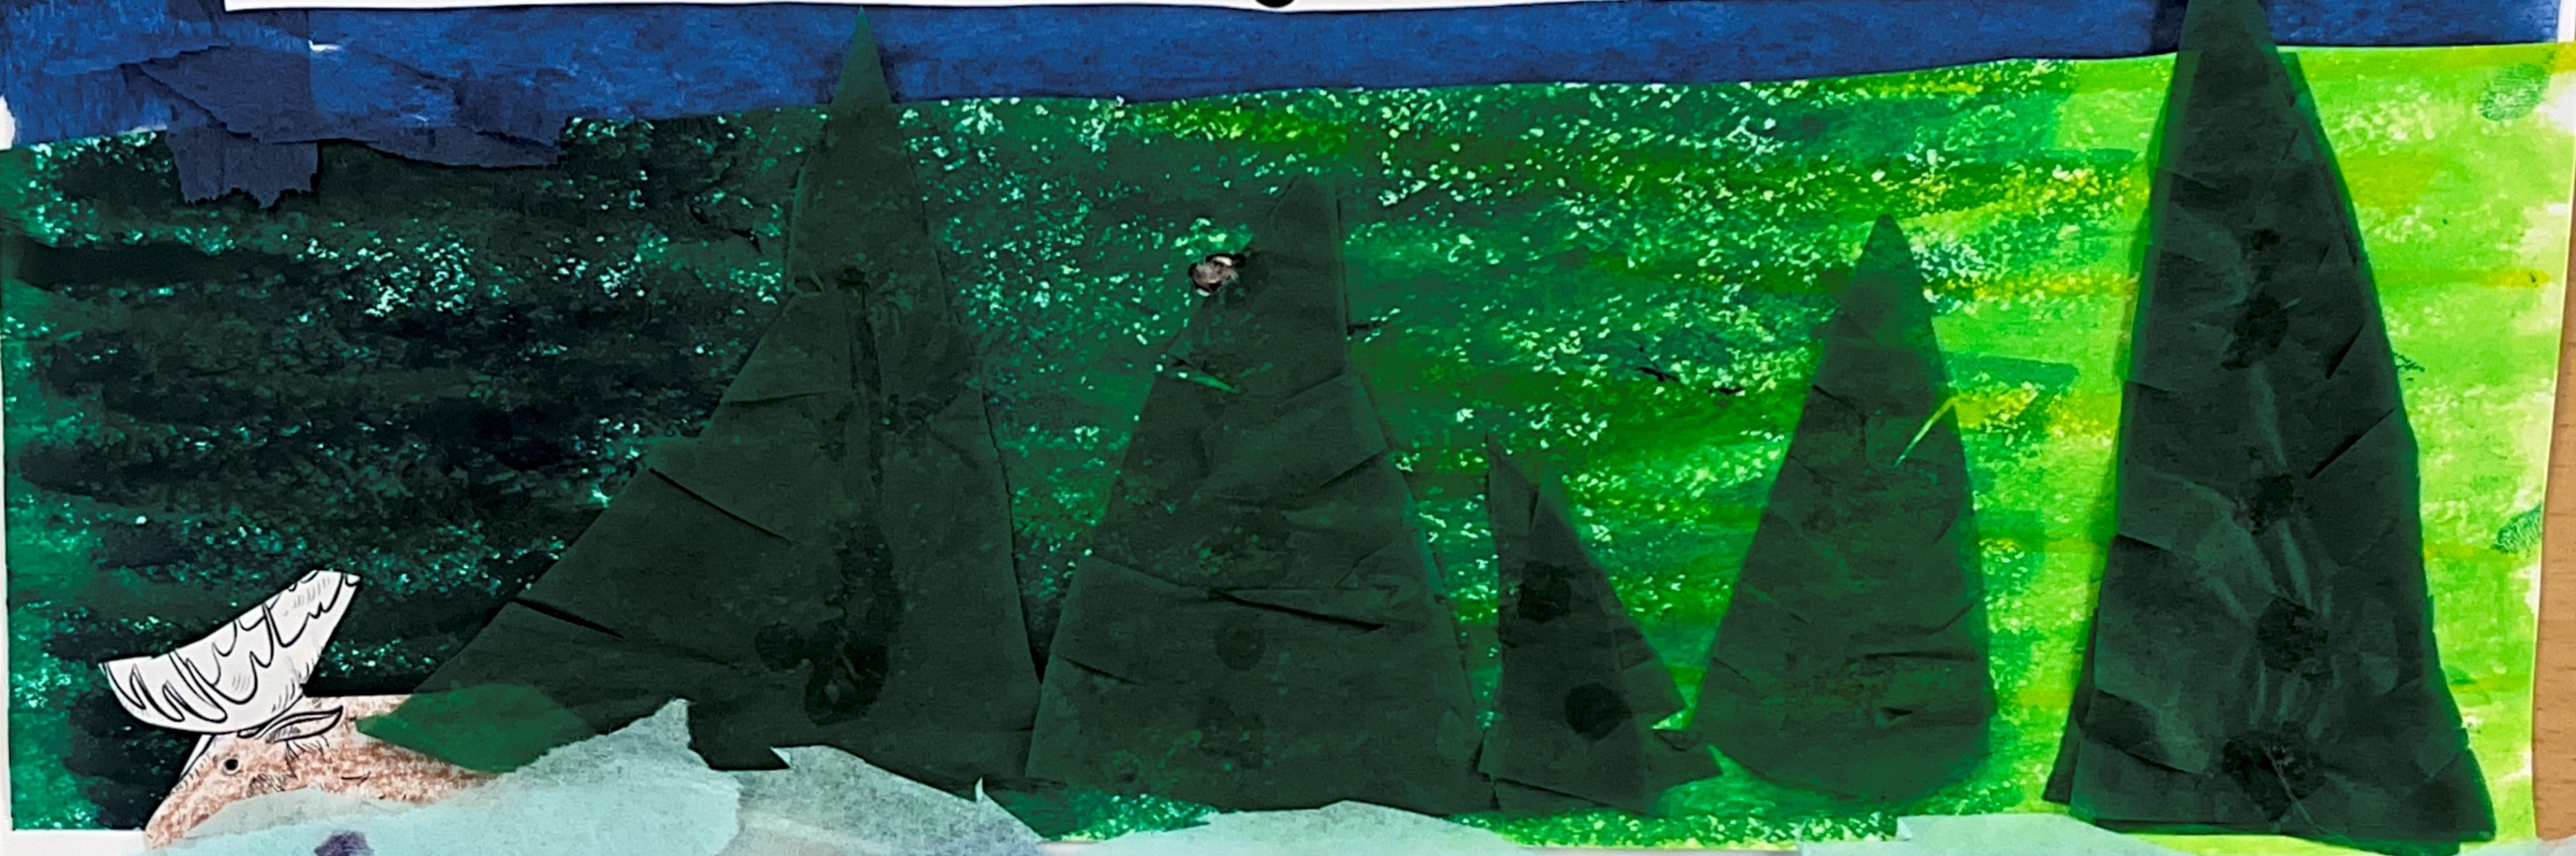

I spot a polar bear with its translucent  
hair.

Richard

Barb

I see a moose walking through the spruce.

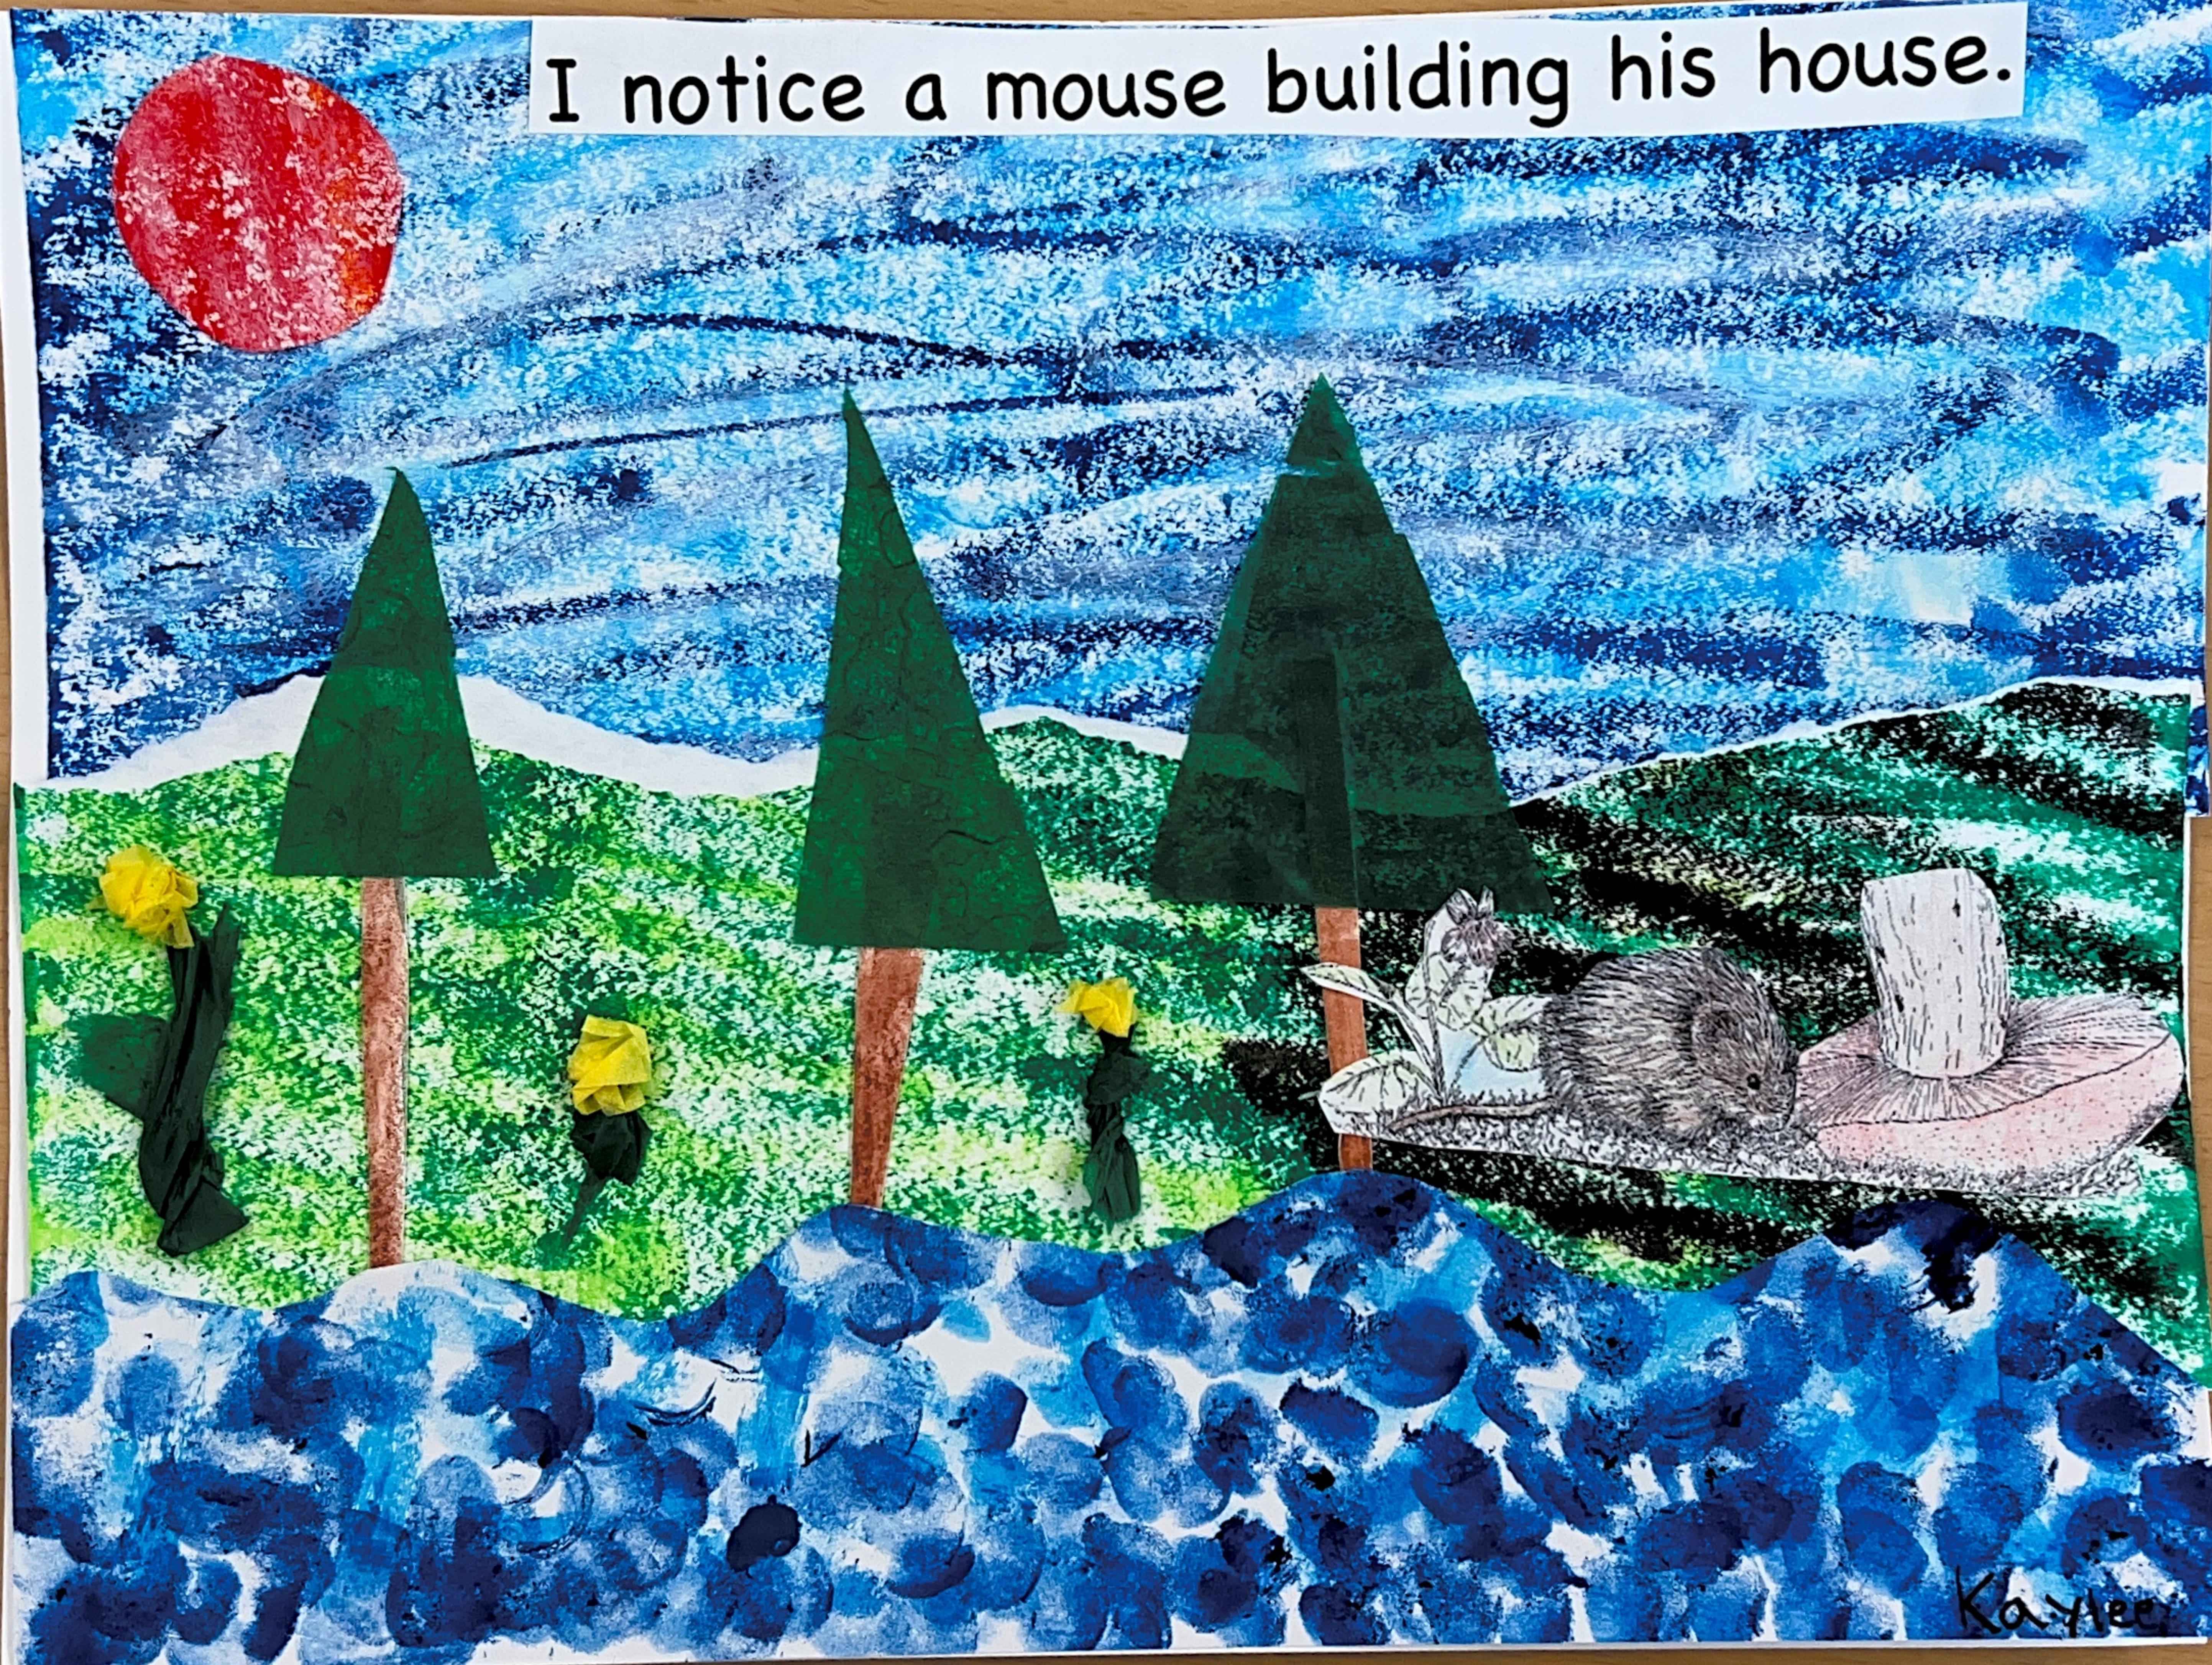

I spot a whale with a big tail.
