

Date of Board Meeting: September 19, 2023

Subject: Cosmetology Salon Fees

Recommendation: Approve Increase in Cosmetology Salon Services Fees, Effective Spring 2024

Background and Rationale:

The Cosmetology Department provides various salon services to the community as part of students' practical education. Cost of materials has increased over the years, yet salon service fees have not increased in about 10 years. To somewhat offset the cost of instructional supplies, we request a slight fee increase in salon services (mostly \$5.00 or less). The attached list shows current fees and the requested fee increase (red font). The increase would be effective in the spring 2024 semester and apply equally to services offered on both the Wharton and Richmond campuses.

See attached fee comparison.
