Subject: April 13 Regular Board Meeting Consent Agenda/Cooperative Purchases Preview

Background Information:

- In some months of the fiscal year, the consent agenda at the regular Board of Trustees meeting will include a significant number of agenda items. The Consent Agenda Preview was developed to provide the Board of Trustees with a tool to navigate through the volume of regular meeting consent agenda items.
- Using Lewisville ISD-eligible cooperative contracts for the purchase of goods and services provides the District with a wide range of vendors, products, services, and pricing options to support the best value. Often, these cooperative contracts provide additional procurement options for existing Lewisville ISD bids.

Administrative Consideration:

- The preview for consent agenda items will not list all items but will instead highlight major areas of interest.
- The attached document is a summary of the consent agenda/cooperative purchases that will be brought to the Board of Trustees on April 13, 2026, for consideration of approval.
