Agenda Item: Inter District Transfer Recommendation Item IF3

Purpose: The purpose of this agenda item is to take action related to Board Policies JECF – Inter-district Transfer of Resident Students and JECB–Admission of NonResident Students.

Traditional Inter-District Transfer (in and out of the District)

There are two questions related to policy. First, the board may determine WHEN transfer of this nature (requiring permission from both the sending and receiving district) are allowed.

The second question is to determine HOW MANY will be allowed to ENTER and HOW MANY will be allowed to LEAVE? This can be determined by grade and by building.

*Administrative Recommendation:* With regard to time, we recommend families requesting permission to transfer in to or out of the district be granted such permission from March 1st to August 1st.

With regard to the number of students, we recommend the board allow for any number of students to transfer into or out of the district during this time period.
