

Dear Mr. Larson,

Please accept this letter as my notice of resignation for the position of Special Education Assistant. My last day will be November 24, 2015.

As you know my wife and I recently relocated to Mankato for her job. I had originally intended to finish out the school year, but cannot justify the drive financially. This decision was not made lightly and comes after several weeks of consideration. I deeply appreciate the opportunity to work at Nova. I have truly enjoyed my time here. Nova is a great school and is accomplishing wonderful things. I have found the faculty and staff to be exceptional and always ready to help.

I will greatly miss being a part of the Nova community.

Sincerely,

Rhyse Curtis
