FROM: Donna Middleton, Senior Director of Student Services

RE: Disposal of old curriculum

DATE: October 29, 2018

The Department of Student Services has identified several kits of a past version of our Wilson curriculum. The department would like the Board's permission to dispose of these bags. In addition, there are three boxes of sample curriculum in damp boxes in the basement at Holmes School. The department would like the Board's permission to dispose of these boxes.
