Integrating Technology into Parkrose Elementary Schools

Reading

R	**Redefinition**	Using Lightsail to create questions for students/group members to respond to after reading text.
M	**Modification**	Use Lightsail to write and explain higher level questions with teacher and peers. Students share comments and ratings of books they've read.
A	**Augmentation**	Using RAZ kids to record reading and assessments for diagnostic purposes. Using Lighsail to assess lexile and comprehension of text.
S	**Substitution**	Using RAZ kids and Lighsail as a virtual library to read leveled books.
