

PROPOSED POLICY

DEFINITIONS

The term "immediate family" is defined as:

FAMILY

1. Spouse.
2. Son or daughter, including a biological, adopted, or foster child, a son- or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands *in loco parentis*.
3. Parent, stepparent, parent-in-law, or other individual who stands *in loco parentis* to the employee.
4. Sibling, stepsibling, and sibling-in-law.
5. Grandparent and grandchild.
6. Any person residing in the employee's household at the time of illness or death.

For purposes of the Family and Medical Leave Act (FMLA), the definitions of spouse, parent, son or daughter, and next of kin are found in DECA(LEGAL).

FAMILY EMERGENCY

The term "family emergency" shall be limited to disasters and life-threatening situations involving the employee or a member of the employee's immediate family.

WORKDAY

A "workday" for purposes of earning, use, or recording shall mean the number of hours per day equivalent to the employee's usual assignment, whether full-time or part-time.

CATASTROPHIC ILLNESS OR INJURY

A catastrophic illness or injury is a severe condition or combination of conditions affecting the mental or physical health of the employee or a member of the employee's immediate family that requires the services of a licensed practitioner for a prolonged period of time and that forces the employee to exhaust all leave time earned by that employee and to lose compensation from the District. Complications resulting from pregnancy shall be treated the same as any other condition.

AVAILABILITY

The District shall make state personal leave for the current year available for use at the beginning of the school year. Local leave shall be made available as earned.

The District shall not approve paid leave for more workdays than have been accumulated in prior years plus those to be earned during the current year. Any absences beyond available paid leave shall result in deductions from the employee's pay.

EARNING LEAVE An employee shall not earn leave when he or she is in unpaid status. An employee using full or proportionate paid leave shall be considered to be in paid status.

When an employee has used more leave than he or she has earned, the District shall deduct the cost of unearned leave days from the employee's final paycheck for the year or from the last paycheck after the employee ceases to be employed by the District.

RECORDING Leave shall be recorded as follows:

1. For positions for which a substitute is normally required, leave shall be recorded in half-day increments, even if a substitute is not employed.
2. For positions for which a substitute is not normally required, leave shall be recorded on an hourly basis.
3. If the employee is taking intermittent FMLA leave, leave shall be recorded in one-hour increments.

ORDER OF USE Earned compensatory time shall be used before any available paid state and local leave. [See DEA]

Unless an employee requests a different order, available paid state and local leave shall be used in the following order, as applicable:

1. Local leave.
2. State sick leave accumulated before the 1995–96 school year.
3. State personal leave.

Use of extended sick leave pool days shall be permitted only after all available state and local leave has been exhausted.

CONCURRENT USE OF LEAVE When an absent employee is eligible for FMLA leave, the District shall designate the absence as FMLA leave.

The District shall require the employee to use temporary disability leave and paid leave, including compensatory time, concurrently with FMLA leave.

An employee receiving workers' compensation income benefits may be eligible for paid or unpaid leave. An absence due to a work-related injury or illness shall be designated as FMLA leave, temporary disability leave, and/or assault leave, as applicable.

MEDICAL CERTIFICATION An employee shall submit medical certification of the need for leave if:

2. The District requires medical certification due to a questionable pattern of absences or when deemed necessary by the supervisor or Superintendent;
3. The employee requests FMLA leave for the employee's serious health condition or that of a spouse, parent, or child; or
4. The employee requests FMLA leave for military caregiver purposes.

In each case, medical certification shall be made by a health-care provider as defined by the FMLA. [See DECA(LEGAL)]

Note: For District contribution to employee insurance during leave, see CRD(LOCAL).

STATE PERSONAL
LEAVE

For purposes of this section, each employee shall earn state personal leave up to the statutory maximum of five workdays annually at the rate established in administrative regulations.

The Board requires employees to differentiate the manner in which state personal leave is used:

NON-
DISCRETIONARY
USE

1. Non-discretionary use of leave shall be for the same reasons and in the same manner as state sick leave accumulated before May 30, 1995. [See DEC(LEGAL)]

Non-discretionary use also includes leave for well-baby care within the first year after birth, adoption, or placement of a child.

DISCRETIONARY
USE

2. Discretionary use of leave is at the individual employee's discretion, subject to limitations set out below.

LIMITATIONS
REQUEST FOR
LEAVE

The employee shall submit a written request for discretionary use of state personal leave to the immediate supervisor or designee in advance in accordance with administrative regulations. In deciding whether to approve or deny state personal leave, the supervisor or designee shall not seek or consider the reasons for which an employee requests to use leave. The supervisor or designee shall, however, consider the effect of the employee's absence on the educational program or District operations, as well as the availability of substitutes.

DURATION OF
LEAVE

Discretionary use of state personal leave shall not exceed three consecutive workdays.

LOCAL LEAVE

All employees shall earn paid local leave per school year in accordance with the following:

1. Professional employees shall earn five workdays of local leave, at a rate of one-half workday per month.
2. Secretarial, custodial, and maintenance personnel in positions normally requiring 12 months of service shall earn three workdays, at a rate of one-half workday per month.
3. Aides, cafeteria personnel, and secretaries in positions normally requiring less than 12 months of service shall earn two workdays, at a rate of one-half workday per month.

Local leave shall accumulate without limit.

Local leave shall be used according to the terms and conditions of state sick leave accumulated before the 1995–96 school year.
[See DEC(LEGAL)]

Local leave may also be used for well-baby care within the first year after birth, adoption, or placement of a child.

SICK LEAVE POOL

An employee who has exhausted all paid leave and who suffers from a catastrophic illness or injury or is absent due to the catastrophic illness or injury of a member of the employee's immediate family may request the establishment of a sick leave pool, to which District employees may donate only local leave for use by the eligible employee. If the employee is unable to submit the request, a member of the employee's family or the employee's supervisor may submit the request to establish a sick leave pool.

The pool shall cease to exist when the employee no longer needs leave for the purpose requested, uses the maximum number of days allowed under a pool, or exhausts all leave days donated to the sick leave pool.

The Superintendent or designee shall develop regulations for the implementation of the sick leave pool that address the following:

1. Procedures to request the establishment of a sick leave pool;
2. The maximum number of days an employee may donate to a sick leave pool;
3. The maximum number of days per school year an eligible employee may receive from a sick leave pool; and
4. The return of unused days to donors.

An absence due to a work-related injury or illness shall be designated as FMLA leave, temporary disability leave, and/or assault leave, as applicable.

An employee eligible for workers' compensation income benefits, and not on assault leave, may elect in writing to use paid leave.
