Volunteers

Dear Parents,

All parents, friends, or family members who participate and volunteer at school or on any field trips are required to fill out a volunteer application. You will need the names and phone numbers of three people (not family) who can vouch for your ability to work with kids in a safe and appropriate manner. We will not process any forms that are returned incomplete. An approved volunteer form is required to help with parties, work in the classroom or library, work on campus for student events, or go on field trips. The quicker you get those forms into the office the sooner we can approve you to begin helping. Please make sure you ask for a form soon! You can call Mindi in the office or email me at mindi.gallegos@threerivers.k12.or.us and ask for the volunteer form to be sent home with your child. Thank you for helping in the process to continue to keep our students safe.

Cold and Flu Season

It's that time of year again for cough, colds, and flu. Please encourage your child to cover their mouth when sneezing or coughing to decrease the spreading of germs. Please keep your child home if your he/she has had a fever or is throwing up within the past 24hrs of a school day. It has also come to our attention that there has been confirmed cases of whooping cough at Williams Elementary. A letter has been sent home with information concerning the virus. You can access information from the Oregon Health department online at:

http://www.health.state.mn.us/divs/idepc/diseases/pertussis/pert_parents.html or contact Josephine County Health Department at 541-474-5325.

Facts of the Day for November

Dear Williams Community,

The Facts of the Day are a routine part of our school days. They can be seen in every classroom and in the gym. Students are increasingly becoming more fluent in basic facts. Place this calendar in a prominent place. Students are excited to see who can correctly get the facts first. Please remember that the addition facts are especially good for all grades, while the multiplication facts are intended for grades 3 -5. We appreciate all of your support!
