Smarter Balanced Assessment

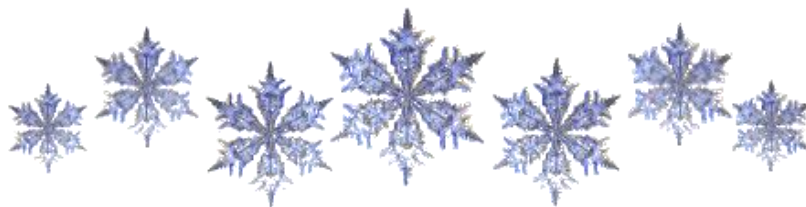

Once again our 3rd-5th graders will be taking the Smarter Balanced Assessment (SBAC) in the spring. If you would like to opt-out of your child taking this test, you will need to go to the district website and fill out the opt-out form and submit it to the school by April 1st.

Testing windows for ELA, math, science, in April and May, dates to be determined. More information will follow.

Parents please help students to keep toys, fidgets and Pokeman cards, etc. at home. They are not allowed at school. **This includes personal electronic devices and smart phone watches.** **These policies are in the Student/Parent Handbook. If you have any questions, please call the office.**

Oregon Lions Hearing and Vision Foundation

We had vision screening exams in beginning of November on all students and we have received the results. We will be including in the report cards, any results that they have recommended to have an eye exam with a eye doctor. If you do not receive any results that means your child(ren) passed the exam. If you would like the results anyway, please contact the office at 503-322-0311.
