Background

Chronic Absenteeism & Regular Attenders

Why Attendance Matters

Why Attendance Matters

Elementary School

Students who attend regularly in grades K-3 are more likely to read on grade level

Middle School

By 6th grade, absenteeism is one of three signs that a student may drop out of high school

High School

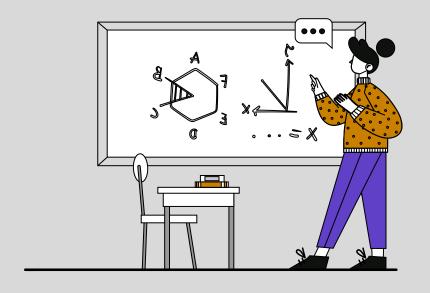

By 9th grade, attendance is a better predictor of graduation rates than 8th grade test scores

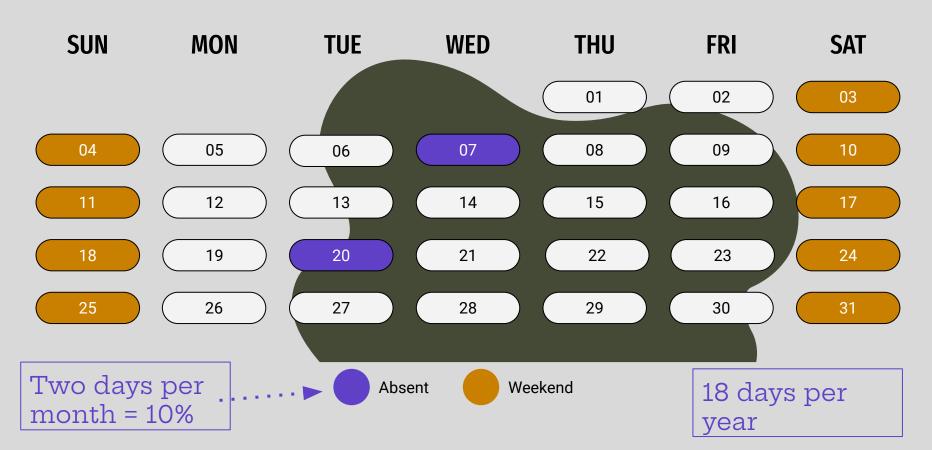

It All Adds Up

Every day of school counts towards our student's journey of growth and discovery

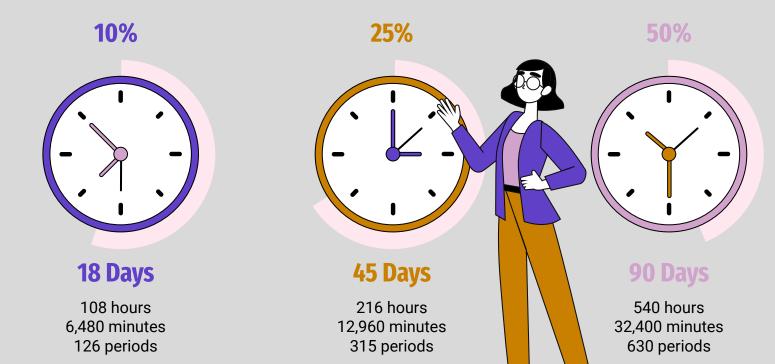

Missing 10% of school can lower achievement for students

Monthly Attendance

Time Adds Up

Why Attendance Matters

+18 days

Chronic Absences

Greatest risk of falling behind and 20% less likely to graduate from high school 10 to 17 days

Warning

15 absences per year = 1 full school year missed by 12th grade 9 or fewer days

Good Attendance

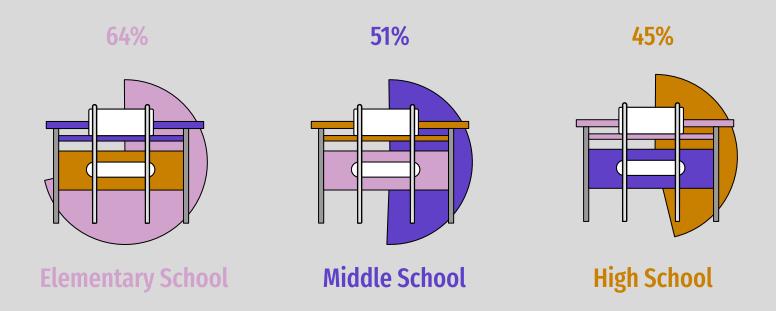

Best chance to develop grade level skills and success now and in the future
