To whom this may concern,

I am writing this letter in regards to Jaron Sever. I have had the opportunity to work with Jaron at Rocky Mountain Junior High the past 7 months.

Jaron is very knowledgeable in his content area. I have had the opportunity to observe him as he instructs his students. His lessons are engaging and rich in content. Jaron makes sure that each student has a voice and feels comfortable to ask questions in his class. Jaron is always looking for feedback to improve and will ask questions or for advice when needed. Jaron has taken it upon himself to figure out how to start an ESports team here at Rocky next year. The students here at Rocky respond well to Jaron and have enjoyed learning new ways to construct projects and are prepared because of the safety measures that Jaron takes in his classroom.

Jaron is respectful to his fellow teachers and administration and is always willing to learn and help out when needed. Jaron has worked hard with the other CTE teachers to create a PLC even though they all teach different content. Jaron has also reached out to other CTE teachers in the district to collaborate from everything to classroom management to projects.

It is with great honor and pride that I nominate Jaron for this award. It is well deserved and Rocky is lucky to have him on our team.

Sincerely,

Cari Fredrickson
