

Head Start Board Report June 2025

Enrollment and Attendance

Early Head Start's average daily attendance was 79%. Head Start ended programming on June 3, 2025.

Education & School Readiness

Staff is continually assessing classroom needs.

COR/CLASS Report

Teachers continue to enter COR. They have shared final COR reports with families. The final CLASS assessment was on June 2nd.

Mental Health

Mental health referrals and resources were given to all families with need.

Disabilities

EHS is serving one student with a diagnosed disability.

Nutrition

Lake Orion Community Schools Food Service is providing meals. Nutrition policies and procedures adhered to.

Family & Community Engagement

We had the youth librarian from the Lake Orion Public Library out for her monthly reading time with all classes.

Program Governance

The program is following Head Start policies. PIR has been submitted for Head Start and Early Head Start.

Health

The program continues to maintain all child health requirements.

Budget/Grant/Contract

The program is working with Finance on funding and budget requirements. We are working with OLHSA regarding any grant needs.

Credit Card Purchases

The credit card was charged a total of \$182.40.
