TITLE: Approval of Three-Year Faculty Contract Extensions for 2017-2018

DISCUSSION: A recommendation for a three-year faculty contract extension confirms that a faculty member has a commitment to teaching and learning, and has demonstrated Collin College's standards of excellence. Each faculty member considered for an extension was evaluated by their Academic Dean based on the following documentation.

- Student evaluations of instruction
- Class evaluations by an academic administrator
- Annual performance appraisals of scholarship, teaching excellence, professional development, professional interaction with students and colleagues, College service, and adherence to College policies and core values.

After careful consideration of all factors, the faculty listed have been recommended for a three-year contract extension by their Academic Dean and further reviewed and recommended by their Vice President/Provost and the Executive Vice President.

DISTRICT PRESIDENT'S RECOMMENDATION: The District President recommends approval of the Board's authorization to grant three-year contract extensions to the following faculty commencing 2017-2018.

SUGGESTED MOTION: "Mr. Chairman, I make a motion that the Board of Trustees of Collin County Community College approves the three-year faculty contract extensions for the 2017-2018 academic year."
