February Staff Member of the Month: Ms. Kendell Jones

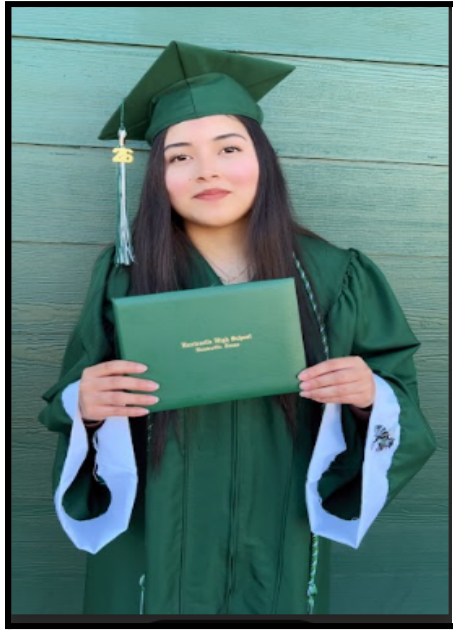

Behind every successful program is a dedicated lead teacher who serves as a cheerleader for staff, students, and the Hornet Success Academy. For the past four years, Ms. Jones has shown us that when you love what you do, enjoy serving alongside your team, and are passionate about student success, your work becomes more than a job—it becomes a calling.

Ms. Jones leads with humility, consistency, and a true servant's heart. She works tirelessly with our most challenging students, supports the counselor and director, and provides one-on-one support to teachers to ensure every student has the opportunity to succeed. No task is too big or too small, and she always steps in wherever she is needed.

She takes great pride in supporting students, staff, and campus operations, and she confidently leads in the absence of the director. Her positive attitude, reliability, and commitment to excellence make a lasting impact on our program and create a supportive, student-centered environment where everyone can thrive.

Congratulations, Ms. Jones, and thank you for being the heart of HSA! 💙🎉
