4200 Employee Conduct and Ethics

4221 *Employee Speech*

As role models, employees must exercise sound judgment in their interactions with students, Parents, and members of the community and maintain a high degree of professionalism and objectivity. Employees must act within the scope of their respective duties and responsibilities.

A. Speech on Matters of Public Concern

The District respects and supports its employees' right as citizens to exercise free speech in a responsible manner.

Free speech rights are not absolute and are subject to restriction when the employee is acting within the course and scope of their employment.

When speaking as a citizen on a matter of public concern, an employee must not make written, verbal, online, or nonverbal statements that cause a substantial disruption to the school environment, violate federal or state law, or otherwise violate these Policies. An employee's right as a citizen to comment upon matters of public concern must be balanced against the District's interest in promoting the efficiency of the public services it performs through its employees.

Employees do not speak on behalf of the District or a school unless specifically authorized by the Board or Superintendent.
