Dear John J Ryan,

Congratulations on being named Ace Hardware's Helpful Hands runner-up for the state of Arizona! The Helpful Hands campaign was developed to give high schools the tools they need to create an engaging environment that stirs creativity, motivates learning and invigorates students and teachers.

As the Arizona runner-up, Mammoth-San Manuel High School is awarded the enclosed \$500 worth of Ace Gift Cards, specifically two \$250 gift cards and we encourage you to use these funds to host a paint makeover at your school! We believe that a new coat of paint does more than a 1d color to the wall: it marks a new beginning, boosts spirits and establishes pride where it is needed the most.

Your local Ace store is ready to provide you with all the help you need to take care of your school.

For more than 85 years, Ace has been known as the helpful place by both its customers and communities. Each store is independently owned and operated by local entrepreneurs who, many times, live in the communities they serve, so we are honored to help out our local high school, Mammoth-San Manuel High School!

Thank you for participating in Ace's Helpful Hands campaign and congratulations again!

If you have any questions, don't hesitate to contact us at 630-990-6446 or media@acehardware.com.

Best,

Christopher Boniface
