

# FREDERIC ELEMENTARY SCHOOL

"BE EXCELLENT"

BE RESPECTFUL

BE RESPONSIBLE

BE SAFE

BE EXCELLENT

## June 2023 School Board Report

### Summer School Student Enrollment

We have 230 students registered for summer school this year. Of those 230 students registered; 5 are HS, 46 are MS, with 20 of them being incoming 6th graders, and 179 are elementary aged students. Last year we had 176 students registered at this point in time but those registrations did not include Summer Saunters which tends to be a favorite of MS students. We also have 25 families registered that do not attend Frederic School District during the school year. At the Elementary, we are contacting families who did not register for summer school to collect data on why they chose not to register. It is our hope through those conversations that we continue to build opportunities that interest all students.

### 55th Annual Kindergarten Circus

On May 25th, we held our 55th Annual Kindergarten Circus. Due to this milestone event, we had guests sign in if they had participated in the Circus as a student. In our audience we had 45 past Circus actors sign in, with our oldest in attendance being a part of the 2nd ever Kindergarten Circus. This traditional legacy is very important to some of our Frederic families and it was nice to hear their stories about when they were students at Frederic.

### 4th/5th grade make a "Splash" in Math

We completed our last challenge for our students with the optional learning opportunity sheets. It was a collaborative effort with students completing 200 sheets per homeroom. Our students blew this goal out of the water by turning in over 1,000 sheets. Due to this continued dedication to their learning, we took students to The Centre in New Richmond. Students were beyond excited about their accomplishments and this surprise celebration. It is our hope to continue to build positive Math mindsets within our students by having them work through challenging problems to gain deeper understanding and further develop Mathematical grit.

### Other Notable End of Year Events

4th/5th Grade Minneapolis Institute of Art & Franconia experience  
Kindergarten Celebration of Learning at Coon Lake

4k Graduation & Carnival

5th Grade Graduation and Awards Ceremony-3 perfect attendance
