**Re:** Results of Diesel Fuel Bid

---

Livonia Public Schools received six sealed bids from suppliers for the Transportation Department's diesel and gasoline request for bids. This purchase will be for the 2013-2014 school year. Bids were received from the following companies:

- Atlas Oil Company
- Corrigan Oil Company
- Luke Oil
- Mansfield Oil Company
- Petroleum Traders Corporation
- RKA Petroleum Companies

I would like to recommend RKA Petroleum Companies as the diesel and gasoline supplier for Livonia Public Schools for their low bid total amount of \$3.22 per gallon for diesel fuel and \$2.83 per gallon for gasoline. Please contact me if you have any questions.
