Welcome Back to School Students and Families

We have been working to prepare for your arrival, and now that school is about to start, our hard work will pay off with your bright eyes and great smiles at school Sept. 2!

I have been coming to Williams since June, checking out the beautiful scenery and talking with folks. I have discovered a community which loves its school and cares deeply that its students get the best education possible. On behalf of the members of the fine staff here at Williams Elementary School I pledge to give you just that: the best possible education for your students we can deliver! Given the talent of the teachers we have here, and the resources we are fortunate to have, we look forward to another successful year!

Personally, I want to thank everyone for the warm reception I have received as the new Principal here. I am humbled by the traditions which exist here, and the friendly people who call Williams their home. I am proud to say I have become part of the Williams Pioneers history!

Darrell Erb Jr
Williams Elementary School Principal

WANTED!

Site Council Members Needed

Williams Elementary is looking for parent representatives that are interested in becoming a Site Council member. If you have not had an opportunity to be involved in a Site Council meeting, you will find it very interesting. It gives you a chance to be a part of school decisions at a local level. The Council is made up of the principal, teachers, classified staff, and parents.

Meetings are held once a month. **If you have questions or are interested, call Mindi in the office at 846-7224.**

Take a chance,
Get involved!

"OPEN HOUSE NIGHT

On Wednesday, September 24th, we will have our annual Open House Night from 5:00pm-6:30pm. Join the Williams School Staff for an ice cream social. We will meet in the gym for a short welcome then be dismissed to visit your student's classroom and meet the Williams School staff. At Williams Elementary School we have an open door policy!

"CONTACT INFORMATION and ATTENDANCE"

Parents, it is **VERY IMPORTANT** that you keep your contact information updated at all times during the school year. Please notify the office when you move, **change phone numbers** (including cell and work numbers), email address, or change your emergency contact information. This year the school and district will use your contact information for an automated and digital message system, called SYNREVOICE, to keep you informed of student absences, school closures, events, and classroom field trips. Our goal is to keep you informed at all times. Please use our district web page at www.threerivers.k12.or.us to keep informed of the latest calendar events. If your child is ill or absent for any reason please notify the school office before 10:00am or you will receive an automated message reminding you of the unexcused absence. If you know in advance that your student will not be at school for any reason, please notify the office by calling Mindi at 846-7224 or sending a note to the office.

Parents,

Please remember good attendance is the single most important factor in school success! Being on time and ready for class guarantees your student a good start to their day. There are important events that take place in the mornings that are essential to their day. If for any reason your child is late for school, **they must stop by and see the office before going to class.**

***Do not drop your student off at the side entrance after school begins.
Students, parents, and visitors MUST enter through the office.***
