Presenter(s)/Add'l Contact(s): Greg Buchanan

Item Name: DISCUSSION OF PROCUREMENT METHOD FOR THE CONSTRUCTION OF THE NEW HIGH SCHOOL ADDITIONS

Item Summary: Administration recommends that the Board of Trustees authorize the administration to utilize competitive sealed proposals as the construction method of procurement with the evaluation criteria for the construction of the new high school additions.

Recommendation: The competitive sealed proposal method of procurement promotes competitive pricing among the bidders but allows negotiations between the District and the selected contractor(s) before the contract is finalized. As the District must state its selected method of procurement and the evaluation criteria in the notice to bidders, this authorization will allow the administration to proceed with securing offers for the Board's consideration and approval.
