BOARD OF EDUCATION WYLIE INDEPENDENT SCHOOL DISTRICT ABILENE, TEXAS

AGENDA ITEM: D-5 DATE: 7-12-2021	1
--	---

SUBJECT: Consider Policy Regarding Intra-district Residency

Changes

********* ACTION *******

BACKGROUND INFORMATION:

Due to our moderate growth, there was some concern about mobility of our students and keeping track of residency issues. At the time, I asked the Board to allow us to withdraw students when their residence was no longer in the district. This policy also applied to an East/West residency move or vice versa.

ITEM ADDRESSED:

This has worked, however, the East/West residency changes have complicated the policy. Grading periods, Athletic teams, Cheer squads, Special Education issues, etc. I would like to go to a policy that allows the student to complete the semester after an East/West residency change. An exception would be for a student to complete a sports season (Basketball for example) or other activity that straddles the semester. The Superintendent or designee may make exceptions to the rule.

ACTION RECOMMENDED:

Board approval.
