

Agenda Topic: Work Study Session Time Changes
Meeting Date: September 25, 2025
Contact Person: Chair Todd Anderson

Background:

School board work study sessions are currently scheduled to start immediately following the adjournment of the regular school board meeting. The board will consider a recommendation to change the time of the study sessions on October 14 and November 12 to begin at 4:30 p.m. and end at 6:00 p.m. Community input listening sessions will begin at 6:00 p.m., although if no speakers are signed up, the board may use that time to continue the work study session.

In January, after new board members are sworn in, the board will reevaluate the timing of work study sessions.

Recommendation:

It is recommended that the board reschedule the study sessions on October 14 and November 12 to begin at 4:30 p.m.
