Unofficial Minutes of June 9, 2021 Regular Meeting

winding down! Softball ended on Tuesday playing number 1 seed Greenbush/Badger/ Middle River, the top ranked team in the Section. So Proud of our girls and coaches (Shelby and Shawn) for making our school a comeback for softball. Ben finished on Tuesday at Section Track. He had a great season for his first year. Colyn Peterson in the running for State for Trap. Nice job to Colyn Peterson, Colin Leahy and Ben Berthuime. Thank you to Amber for being the coach for the team. Interviewing Interventionist position today to fill for this Fall looking forward to continuing with those supports for our students. Upcoming Training with TOP 20 (Social Emotional Learning Company) on June 29,30 and July 1. Nonviolent Crisis Intervention (NCI) provides staff with the skills to safely recognize and respond to everyday crisis situations. NCI training complies with all current legislation and is evidence-based and fully accredited. The team training will be Wendy Mayer, Sondra Monson, interventionist and myself from Indus. Northome will have a team too for the training. We will be presenting the training to all the staff in the fall during the in-service.

Northome Principal Report: Graduation was great. All 12 of our Seniors graduated. I want to thank Christine Lundin for all of her help in preparing for graduation. I could not have done it without her. High School credit recovery is taking place this week. Students will attend this week and a week in August to complete missing credits. Summer Quest for grades K-6 begins Tuesday, June 15th. It will take place Tuesdays and Thursdays from 9 to noon. We have around 40 students signed up to attend. We are offering Open Gym every Monday, Wednesday and Friday from 9 to 11. Our teacher of the year was awarded to Libby Wickum. Our staff member of the year was awarded to Corey White.

Committees: Negotiation with teacher's union.

Board Report: Discuss outdated vehicles: The 2010 minious will need to be replaced. Quote received on a new Chevy suburban, \$47,581, check on what van is worth on trade in.

Superintendent's Report: We have made it successfully to the end of the school year. I would like to thank our building principals, (Ms. Bitter and Ms. Bodem), Ms. Lundin, our school secretaries and our custodial staff for organizing and providing a fantastic 2021 Graduation for our District Seniors. Sealcoating will take place on June 18th through the 20th for both campuses. We will keep our fingers crossed for nice weather. The International Falls Journal will be shutting down by the end of June. This is extremely sad news for our area, as I know a lot of community members received local news through this media. Unfortunately, this is a growing trend for locally owned and operated newspapers. Nearly 2000 of these newspapers have closed since 2004. Our District office has also received word that Friends' Garbage Service also needs to make budget cuts and they will no longer be collecting recycling after June 25th. I want to finish off my monthly report by thanking our Custodial staff who have been doing an outstanding job of deep cleaning our schools in this record heat. Their work does not go unnoticed!

The next regular monthly board meeting will be held on July 14, 2021 in Northome and by ITV at 7:00 pm.

Moved by Ralph Lewis, seconded by Bob Stueven, to adjourn at 7:50 pm. Motion carried unanimously.
