

## **Board Meeting for June 22, 2015**

### **MAINTENANCE:**

Very busy. We had someone bust out a window in the portable building. Also we had a flood under the bleachers in the Old Gym at the high school. The compressor went down in the Ag Shop. Just a lot of things to do!!

### **TRANSPORTATION:**

The A/C is getting fixed on BB-1. Have to fix the ABS on the Handicap bus. Fix BB-2-replace hydraulic pump. Work on the VanHool. Do inspections to get tags. I fixed the car-battery went bad on a teacher in Amarillo. Just lots of stuff to do.
