Districts may make modifications to the assessment for students who seek a modified diploma when the following conditions are met as described in Graduation Requirements IKF

1. For a student on an individualized education program (IEP) or Section 504 plan, any modifications to work samples must be consistent with the requirements established in the IEP or 504 plan. Modifications include practices and procedures that compromise the intent of the assessment through a change in learning expectations, the achievement level, construct, or content that is to be measured; grade level standard, or measured outcome of the assessment. This means that IEP or 504 school teams responsible for approving modifications for a student's assessment may adjust the administration of the assessment and/or the assessment's achievement standard. The IEP or 504 team must inform the student's parent that the use of a modification on an assessment will result in an invalid assessment.
2. For a student not on an IEP or 504 plan, any modifications to work samples must have been provided to the student during his/her instruction in the content area to be assessed, and in the year in which the student is being assessed, and modifications must be approved by the school team that is responsible for monitoring the student's progress toward the modified diploma.

Students not on an IEP or a Section 504 Plan may not receive a modified Smarter Balanced statewide assessment.

~~A student's school team shall decide that a student should work toward a modified diploma no earlier than the end of grade six and no later than two years before the student's anticipated exit from high school. A student's school team may decide to revise a modified diploma decision.~~

~~A student's school team may decide that a student who was not previously working towards a modified diploma should work towards one when the student is less than two years from anticipated exit from high school if the documented history has changed.~~

~~Beginning in grade five or beginning after a documented history to qualify for a modified diploma, the district shall annually provide to the parents or guardians of the student, information about the availability and requirements of a modified diploma.~~

Extended Diploma

An extended diploma will be awarded only to students who have demonstrated the inability to meet the full set of academic content standards adopted by the State Board of Education for a high school diploma while receiving reasonable modifications and accommodations. To be eligible for an extended diploma, a student must:

1. While in grade nine through completion of high school, complete 12 credits, which may not include more than six 6 credits in a self-contained special education classroom and will include:
 - a. Two credits of mathematics;
 - b. Two credits of English;
 - c. Two credits of science;
 - d. Three credits of history, geography, economics or civics;

 - a. An inability to maintain grade level achievement due to significant learning and instructional barriers;
 - b. A medical condition that creates a barrier to achievement; or
 - c. A change in the student's ability to participate in grade level activities as a result of a serious illness or injury that occurred after grade eight.

~~Beginning in grade five or beginning after a documented history to qualify for an extended diploma, the district shall annually provide to the parents or guardians of the student, information about the availability and requirements of an extended diploma.~~

Alternative Certificates

~~Alternative certificates will be awarded to students who do not satisfy the requirements for a diploma, a modified diploma or an extended diploma if the students meet minimum credit requirements established by the district.~~

~~Beginning in grade five or beginning after a documented history to qualify for an alternative certificate,~~

~~the district shall annually provide to the parents or guardians of the student, information about the availability and requirements of an alternative certificate.~~

Certificate of Attendance

A certificate of attendance will be awarded to students who:

1. Have maintained regular full-time attendance for at least four years beginning in grade nine;
2. Do not satisfy requirements for a high school diploma, modified diploma or extended diploma; and
3. Have a documented history.

For students with a documented history, the district shall annually provide the parents or guardians of such student, beginning in grade five or after such a documented history has been established, the following:

1. Information about the availability of high school diplomas, modified diplomas, and the requirements for the diplomas; and
2. A disclosure that the students awarded a certificate of attendance will not be counted as a high school graduate in any required reporting for the State or district and that such students awarded a certificate of attendance may not indicate they received a high school diploma on applications for employment, military service, financial aid, admittance to an institution of higher education or any other purpose.
