

Action Sheet

MEETING DATE:

November 18, 2020

AGENDA ITEM:

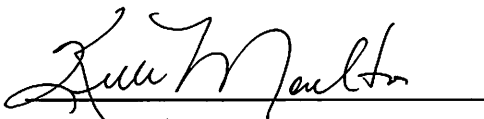

Discuss and consider the approval for the Causeway Galveston program to apply for a grant from the MHA Center for School Behavioral Health. The amount of the award is \$100,000.

Causeway Galveston would like to participate in the request for Best Practices Demonstration Project sponsored by MHA Center for School Behavioral Health. The grant award amount is \$100,000 with a \$50,000 match from the recipient. This RFP is part of the School Behavioral Health Best Practices Incubator. If we receive this \$100,000-dollar grant Causeway Galveston would focus on the following:

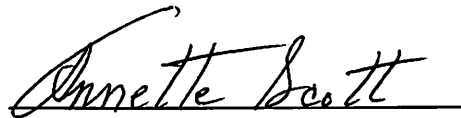

Advance Equity Within the Education System. Conduct a district-wide audit and develop a district-wide equity plan. Equity audits allow the district to better prioritize funding and work to remedy systemic issues. Equity plans demonstrate the district's commitment and plan to embrace the value of diversity in its operations.

RECOMMENDATION:

I move that the board approves for the Causeway Galveston program to apply for a grant from the MHA Center for School Behavioral Health. The amount of the award is \$100,000.

Kelli Moulton
Superintendent

Annette Scott
Assistant Superintendent, Curriculum & Instruction
