

SPECIAL EDUCATION BUILDING BOARD REPORT
Colleen Nolan
Special Education Confidential Secretary

Board Meeting: April 9, 2019

Child Find was held Tuesday, March 19, 2019. There were 47 head start children screened for speech, cognitive and motor skills. The School Psychologist and Speech Pathologists are working to identify which of the 47 will qualify for services.

With the arrival of one new Speech Pathologist Extern and one new Speech Aide, workloads have become more manageable. Certainly not optimal, but more manageable.

Our students are looking forward to attending the Special Olympics State Summer Games Tuesday, May 14 through Friday, May 17, 2019. We will be staying at the Crystal Inn in Great Falls. Approximately 35 students will be attending.

Our total SPED enrollment effective April 1, 2019 is 287.

In the absence of a SPED Director, the SPED department is running smoothly. Thank you to all for your help and patience at this time during this transition.
