Context of Future Ready Learning

APOLLO HIGH SCHOOL ADDITIONS & REMODELING

Our Instructional Vision

1

Student-Centered Learning

Focusing on individual student strengths, needs, and interests with an emphasis on rigorous academics learned through flexible time and space opportunities.

2

Future-Ready Learners

Preparing students with the knowledge, skills, and character needed for a complex, ever-changing world.

3

Authentic Assessment

Shifting towards competency-based and performance-based evaluations to measure progress and academic outcomes.
