Hello Elizabeth/Michael.

The OSBMCC is seeking high school students for this project. I'd be happy to share more at our next meeting. I am looking for 3 students from Parkrose.

The Caucus is seeking BIPOC high school students to participate in an advisory council to co-create trainings that will build advocacy capacity and connections for BIPOC students throughout Oregon.

We are requesting OSBMCC members for help in identifying up to three BIPOC student leaders from their school districts to participate in the advisory council. Students will work with the Engage to Change facilitators in a few one-hour meetings conducted on Zoom during the summer/early fall to provide feedback on the training content, structure, timing, and other aspects.

Please submit your nominations via the BIPOC Student Voice Project Advisory Council Nomination Form by Friday, September 30, 2022.

Click [HERE](#) to see an outline of the proposed trainings developed by the Engage to Change team.
