*A NewBridge to a new future!*

8 September 2015

NBHS is not your regular high school, therefore our Site Council will not or cannot look the same as a regular high school for one significant reason; we do not have parents regularly involved in our student lives. We will therefore meet and work with different representatives from the Oregon Youth Authority and engage all NBHS staff in our discussions.

As of 8 September, NBHS began its fourth week of instruction and we have discussed as a staff:

Topic of conversation:

- Teaching and learning, how in our setting
- PBIS and OYA's Positive Human Development strategies
- Strategies for extreme at risk students, one in particular

Future conversations will involve specific Managers from each unit to engage in a conversation regarding their at-risk students and how best we are able to engage them in meaningful instruction. As resources are identified, we will pursue use or purchase.

Respectfully submitted,

Brent Workley

***Mission Statement:*** *In partnership with Oregon Youth Authority, NBHS will prepare students to meet graduation requirements and continue their education for transition to the world of work.*
