DECLASSIFY CLOSED SESSION MINUTES

SEMI-ANNUAL REVIEW OF THE CLOSED SESSION MINUTES AS MANDATED BY SECTION 2.06

Background

Since 1988, all local boards of education have been required to review their Closed Session Minutes semiannually to determine which Closed Session Minutes, if any, in part or in total, may be made available for public inspection. The Board of Education, River Trails School District 26, Cook County, Mount Prospect, Illinois, has determined that it will comply with the law by reviewing its Closed Session Minutes semi-annually each year.

The Board follows the practice of reviewing all Closed Session Minutes not previously reviewed with the exception of the Closed Session Minutes from the preceding eighteen months, which for this review is September 12, 2023 through March 19, 2024. The Closed Session Minutes are contained in a separate packet for Board members' convenience.

Dr. Megerle has reviewed all Closed Session Minutes and consulted with the Board's attorney and is recommending that no closed session minutes from September 12, 2023 through March 19, 2024 released.
