JRMS- Traffic Signal

Traffic Signal – West Driveway

TxDOT - LOSA

1. JRMS improvements to TxDOT's FM 487:

- a) **Deceleration lane and connection west and east driveways**
(*deceleration lane will be similar to the High School's "right turn only" lanes.*)
- b) **Traffic Signal** – A signal is proposed at the west driveway to JRMS.
(*TxDOT will only allow the signal to become operational once it meets TxDOT's traffic warrants like amount of traffic and/or safety.*)

2. Steps required:

- a) **Board of Trustees approve Resolution for LOSA application**
(*LOSA=Local On-System Agreement*)
- b) Negotiate and finalize LOSA with TxDOT (*including possible reimbursement for costs on pro-rata basis*)
- c) Construct improvements

*Any
Questions?*

**Jarrell
Independent School District**
