Dear Parents, Families & Guardians of students at BES,

Oki! Welcome to the 2021-22 school year. We look forward to creating strong relationships with you and your child to foster their success at Browning Elementary School. The children of BES are the most important people who walk through the doors of the school each day. They are the center of our attention and we will make every effort to create connections so they feel welcome, acknowledged, seen and heard at the school.

I would like to take this time to introduce Racquel Little Plume who is the assistant principal at Browning Elementary. Last year she was the eighth-grade teacher at Browning Middle School. She is excited to serve the needs of your child at BES.

At Browning Elementary we strive for excellence. Our staff have a common understanding of how we will achieve our vision by following the district mission.

District Mission

Browning Public Schools work with all stakeholders – families, students, staff, trustees and community – to provide a high quality, culturally diverse education for all our children using guidance, teaching, and support through collaboration and communication.

Please read through the Student & Parent Handbook and familiarize yourself with our policies and procedures. Pay close attention to the BES addendum as this section outlines important information directed related to Browning Elementary.

Our goal is to make everyone feel welcome, safe and comfortable. If at any point throughout the year you feel different, please bring your concerns to the school staff, your child's teacher, the assistant principal or myself. We welcome and value your input. We look forward to partnering with you during the 2021-22 school year!

Sincerely,

Mrs. Sheila Hall, Principal

BES strive to ensure student success in the school and provide multiple services to assist the students.

Student Progress Reports are issued at the end of every 9-week period either at Parent Teacher Conferences in November and April, or mailed. Progress reports include, but are not limited to, classroom grades, behavior, attendance, test scores and specials class grades. Parents are encouraged to contact the school if they have any questions or concerns about their child’s progress or performance.

Counseling services are available to all students. We provide individual counseling, group counseling, and grief counseling. We also assist families with outside counseling referrals if necessary. If you feel your child is in need of counseling services, please contact the school counselor.

Retention of a student will be a cooperative decision between the parent/guardian, counselor, and administrator and will be made in the best interest of the student.

Psychological testing will only be conducted with informed, written consent of the parent/guardian

CULTURE MATTERS

Browning Elementary values culture and language; we strive to provide as much access to both as much as we can. We have monthly culture activities in all classrooms and we hold special ceremonies throughout the school year for students/parents/community members to receive their Blackfeet name from an elder. Students have access to two BNAS Specials classes where they are learning language, history, and culture.

We currently have a 2nd grade Immersion class and a 3rd grade Immersion class in which various parts of the curriculum are taught in the Blackfeet Language and supported by the BNAS program.

Multi-Tiered System of Supports – Browning Elementary is an MBI school. MBI refers to the application of positive interventions and system changes to achieve socially important behavior change. In Montana, MBI has transitioned to MTSS or a Multi-Tiered System of Support for behavior and academics. The process has been applied successfully with a wide range of students, in a wide range of contexts, and extended from an intervention approach for individual students to an intervention approach for entire schools.

Browning Elementary understands the importance of developmentally appropriate social and emotional learning within our MTSS framework. Our evidence-based curriculum for social-emotional learning is Conscious Discipline and DESSA.
