The Committee discussed some data collection and reporting opportunities the committee could utilize in addition to test scores.

The committee agreed that in order to ensure that we are adhering to Nova Classical Academy’s definition of “classical”, we will review All-Faculty/Staff training, Professional development days and mini- training sessions provided throughout the academic year. We will also review anonymous data from Domain 5 and Tier 1 Instructional Focus reports.

The first review of this data will occur in May. It will then be determined if it should become a goal for the committee going forward, and will seek board approval.
