Thank you for your help.

Art

Lincoln Savage will have its First Friday Art Night November 7. Please stop by the Firehouse Gallery on the corner of 4th & "H" St. We will be displaying some of our 7th grade painted salmon projects.

After school help

Tuesday "Help Night." We go from 3:15 until 5:00 when the activity busses leave. Everyone is welcome.

6th Grade Keyboarding

The 6th grade class is off to a great start. We already have 24 students out of 142 who have advanced from beginner to an intermediate level. Remember, the computer lab is open at 7:15 a.m. for extra help in keyboarding only. I'm very proud of the accomplishments I'm witnessing in your children. Keep it up 6th graders. Mr. Wardle

Basketball

The first basketball game is on Wednesday, November 12, at Lincoln Savage - 4p.m. Remember there is a fee of \$100.00 that must be paid prior to the first game. If the fee is not paid or arrangements not made, your child will not be eligible to play.

Thank You

The company, Thorlo, has donated pairs of socks to the PE department for your students. Thank you "Thorlos" for your generous donation to our students!

Vaccinations

ATTENTION ALL 7TH GRADE PARENTS/GUARDIANS

Starting this School Year 2008. All 7th graders need one dose of Tdap, if it has been at least five years since receiving their last Tetanus containing vaccine. The EXCLUSION DATE for this vaccination is set for NOVEMBER 19. This means, starting on Wednesday, November 19th your child will not be allowed back at school until he/she returns with an updated shot record showing that your child has been given the Tdap vaccination. If you have any questions call Debbie Scuitto @ 862-2171 or the Josephine County Health Dept @ 474-5325.

Donations

Donations for needy students are needed. With the cold weather and holidays coming we could use any clean, unstained items. i.e.: jackets, tennis shoes, school supply items, hygiene products (shampoo, toothpaste, deodorant, packages of socks, etc.
