Discipline:

We have had 8 major referrals between 02/13/2026 and 03/05/2026

Attendance:

This month students are earning clovers for each day they have 100% attendance. For the first week in March we had over 90% attendance 4 out of the 5 days. 16 out of the 20 classes have had a 90% average or better. Mrs. Traver's class was our winning for February with an average of 95%. They were able to enjoy half an hour of fun in the Hobby Horse Training Facility.

MAPS Growth Celebration Winter 25-26

We were able to celebrate Growth in MAPS with class certificates for classes that showed the most growth. Also, due to a donation from Hermiston Generating we were able to purchase prizes for a raffle. Students earned a ticket for meeting their goals and bonus tickets for exceeding their goals. We are very proud of the growth that our students are making!!

Battle of the Books Final Match

We had 14 teams of 3rd graders participate in this year's OBOB tournament. Our final 2 teams battled it out in front of half the school. Students on teams of 4 answered questions from 16 books. Team Ice Cream are the 2026 champions and will represent MHES next Saturday at the regional competition in Baker. Special thanks to Mr. Lougee and Mrs. Prindle for all of their hard work

Read Across America Week

Read Across America Week was full of guest readers, dress up days, and schoolwide book buddy activities on Friday. It was fun to see the creativity and excitement for books during this annual event. Many students participated in the dress up days ESPECIALLY crazy hair for Wacky Wednesday! Wednesday was a great day especially because I got to be a guest reader that day, one of my absolute favorite days of the year!

Wacky Wednesday

Thursday evening we hosted a Family Reading Night. We had 117 people attend. We had 3 rotations. 2 rotations were listening to a story with a teacher and getting instructions to our SORA program and how families can access that library from home. The 3rd rotation was in the library with their SORA log-in information, cookies and a free book! It was a great success. Special thanks to Mykel Liebe, Michelle Summerlin and Danette Prindle for taking the lead to organize this activity.
