

Please help us improve the health and well-being of students by taking this survey. Your answers will help us understand where students like you are doing well, and where they may be struggling, so we can help you succeed.

Your answers are confidential and anonymous. We promise that no one will know how you answer.

Before you start, you should know:

**This is NOT a test.**

We need you to be honest.

There are no right or wrong answers.

You don't have to take the survey if you don't want to.

You don't have to answer any question you don't want to.

If you are not comfortable answering a question, you can choose "I prefer not to answer."

If an answer doesn't fit exactly, choose the one that's closest.

If you don't know what a question means, choose "I don't know what this question is asking."

Just because a question is asked doesn't mean it's assumed that you're doing it or that it's okay to do it.

Use only the Back and Next buttons at the bottom of the screen to go back or go to the next question.
