Re: Placement of 4th Graders

Greetings, I hope all is well. Last Spring I met with most of you to discuss possible placement of 4th graders this year. After gathering feedback and presenting information to the School Board, a decision was made to educate all 4th grade students in Middle River.

During the summer, parents of many 4th grade students opted to open enroll their child to another district. As a result, the majority of the students in 4th grade are being transported to Middle River to attend 4th grade. Recently, I reached out to parents of 4th grade students to gather feedback regarding their decision to open enroll to another district.

At this point, I am now reaching out to you as parents of children within our Greenbush Middle River School District.

Please consider answering the following the questions and returning to me in self addressed envelope **no later than October 12th**. Your responses will be shared with the School Board in a confidential manner.

On behalf of the Greenbush Middle River School Board and myself, thank you for your willingness to complete the following questions. If you prefer to email responses, I may be reached via email at : tjerome@greenbush.k12.mn.us .

If you have any questions or concerns please feel free to contact me by phone at 782-2232 x205.

Respectfully,

Thomas A. Jerome

Superintendent, Greenbush Middle River School District
