**I am interested in serving the Parkrose Schools because:**

Having children who will eventually enroll in the Parkrose School District system makes me keenly interested in how the district functions as a whole. Serving on the school board would be an opportunity to collaborate with others who share my drive to improve education for all the students in our community. My family and I intend to live in the Argay neighborhood for many years to come, and this seems like a wonderful opportunity to help give back to our community.

**I am a qualified applicant for appointment to the Parkrose School District Board of Directors because:**

One of my first jobs after high school was in the technology department at Jackson Country School District #6 in southern Oregon. Working for a school district provided me with a strong sense of purpose and showed me that the work that's done within a school district can truly impact the lives of the students for the rest of their lives. Since I left that position I've been successful in the private sector, refining skills like team leadership, building collaborative relationships between disparate groups and contract negotiation. These skills uniquely qualify me to be a school board member.
