**Subject:** **Permission for Heart Butte School Bus to Enter District #9 Route #1 During 2017-18 SY**

**Description:** Heart Butte bus enters our district on Route #1 to pick up students to attend school in Heart Butte. Route 1 is Little Badger which is 9.6 miles into our district. It does not come all the way to Browning.

**Justification:** I have been approached by the Blackfeet Tribe on working together with surrounding communities in the best of our children. I am recommending that the Board of Trustees reconsider the request to approve the Heart Butte route #1 in the best interest of our students to promote positive relationships.

We do not have to pay individual transportation contracts to the students who ride these routes. This saves the district money and we do not have to operate a bus for this area.

Browning School District

RE: Bus Route

Dear Board of Trustee's

Earlier this year your board voted to deny us access across your district lines to transport students on the Old Agency and Little Badger Rd. routes. We have been running this route and transporting students from this area since at least 1959. The parents have become accustomed to this service and their children attending Heart Butte Schools.

This program has always enhanced the good will between our two districts and has created a spirit of open communication and cooperation. We have confidence that the parents will make arrangements to continue their attendance here at Heart Butte and we believe that your reconsideration of this decision would enhance our working together in the future and relieve many parents on this route anguish. Just recently Heart Butte has demonstrated its willingness to cooperate with Browning Schools by providing transportation for your Gear-Up students to attend an event that your transportation could not meet. We plan to continue to work with Browning Schools to enhance the educational experiences for all of our students.

We are hoping that your reconsideration will be positive and that we will be able to continue the long tradition of transporting these students. Thank you for looking at this issue again.

Respectfully:
