SUBJECT: Revised Policy 7200- Salary Supplement for Highly Needed Educators Program -First Read

Policy 7200 Salary Supplement for Highly Needed Educators Program was a new policy recently approved by the Board in June of 2025. The District has since received feedback from the USBE, which requires the District to pay teachers monthly rather than annually. As a result, dates and practices have been amended per feedback from USBE. The Legal Department is seeking Board approval of this policy on a first read.
