### Graphic Design Class

Coach Bodeker's Graphic Design students have assisted in making a Hillsboro High School Brochure for our campus. I sent the students the information and pictures that we wanted to showcase and they then took the lead in creating the brochure. There will be a few additional pages but below is a picture of the first page. We will be sure to share the entire Hillsboro High School Brochure once it is completed. A huge thank you to Coach Bodeker and his Graphic Design students for their hard work.
