RE: Meal Prices for 2023-2024

Because of our participation in the new State Free Schools Meal Program each breakfast and lunch served to a student is free. If a student wants a second breakfast or lunch it will be charged the same price as an adult meal. The state minimum for an adult lunch is now \$4.95. The recommendation for meal prices for the 2023-2024 school year are with new prices as follows:

High School lunch	Free
Grades 3 -6 lunch	Free
Grades K-2 lunch	Free
Breakfast	Free
Adult breakfast	\$2.35
Adult lunch	\$4.95
